THE SCHOOL WITH THE

SPLIT PERSONALITY

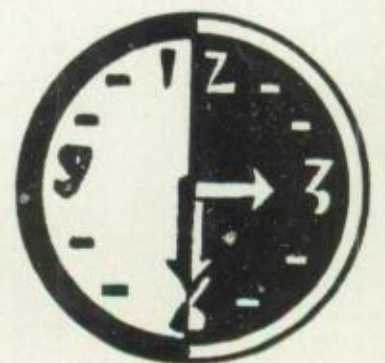

AHS, The Same School With New Ideas

Though the walls and halls of our high school remain the same year after year, the spirit, feelings and even the atmosphere seem to change. Every year, in the early part of September, Anderson High School opens its doors to welcome new faces, new activities, new techniques and methods for study and new plans for improvement. These new ideas seem to give our school life; yes, even a personality.

This year one might say we have had a split personality. Due to our large enrollment, 2577 to be specific, a plan was devised to ease the crowded condition. As a result upperclassmen were given a choice of either a full or shortened schedule. By eliminating study halls many seniors found the seven period school day to be a thing of the past.

We, the annual staff of the 1954 "Indian," take pleasure in presenting to you, our readers, one year of life lived and enacted by *"the school with the split personality."*

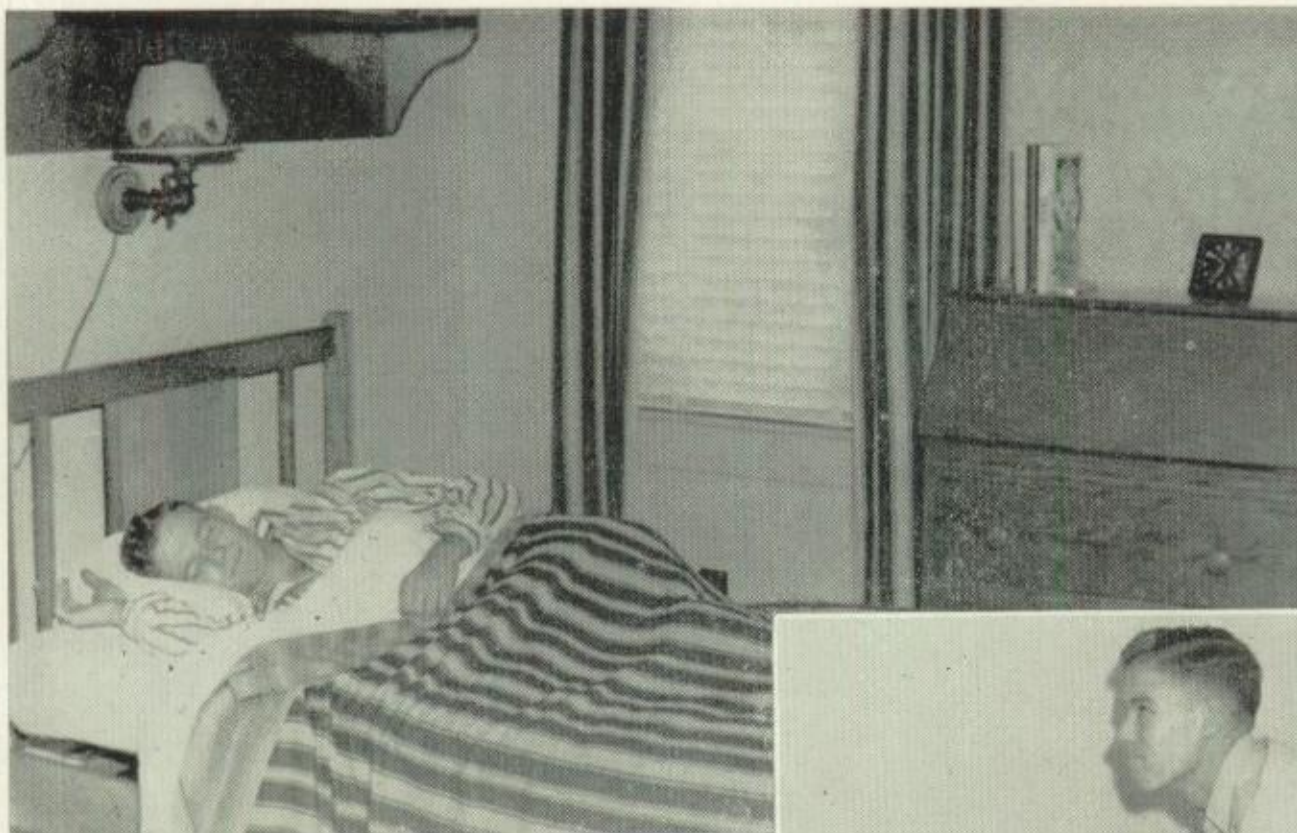

Lynn Morford's classes have just begun as he enviously watches Bill Jackson and Emily Hull step out into the noonday sun, their school day completed.

*"A dillar, a dollar, an eight o'clock scholar
What makes you come so soon?
You used to come at eight o'clock
But now you come at noon."*

This well-known nursery rhyme illustrates one aspect of the short schedule program now familiar to many upperclassmen.

Z-z-z-z-z-z-z-z.

Here's where the Burton twins part company as Tom reluctantly prepares to leave for an 8:15 class.

Extra! Sleeping Late Is Now Sanctioned

The above pictures serve to explain a situation which has arisen this past year with introduction of the new concentrated class schedule. With some seniors sleeping late and others leaving early, it is easy to understand why we can be called the school with the split personality.

Various problems were certain to occur with the inauguration of the half day schedule. On the next several pages pictures and copy will acquaint you with some of the more apparent ones. Only time will tell whether or not this new plan will prove to be successful, and after this year's trial AHS may undergo even further changes for the benefit of everyone.

Homeroom Schedule Is Now Streamlined

Of the many changes which we have seen this year the change in homeroom period is then most evident for it affects everyone. In past years, as the 8:15 bell signaled the beginning of another school day, all students could be found present and accounted for in their respective homerooms.

Now, however, things are different. Homeroom period has been shifted and is being held between third and fourth period at 11:15. With shortened schedules in effect, it seems that this is the only time when all students are present.

The homeroom period has also been shortened to fifteen minutes. To listen to announcements, attend meetings and conduct such business as homeroom elections within this limited time keep both students and teachers well occupied.

To ease the homeroom rush, only student announcements and special school notices are heard over the public address system. Other daily announcements are mimeographed and circulated through homerooms.

"All I want is the facts, ma'am" was an expression used frequently in student announcements such as Sara Stewart and Bruce Partner are shown giving above.

Norval Peters and Sandra Fickett conduct an election of officers in Mr. Weaver's freshman homeroom.

New Attendance System Abolishes Pink Slips

One of Mrs. Stottlemeyer's jobs is to keep a record of all letters explaining absences. Each letter is filed after it has been signed by the absentee's teachers.

With many students taking advantage of the new short schedule this year, it became necessary to revise the method of checking attendance. Mrs. Virginia Stottlemeyer, officially known as the attendance clerk, works in cooperation with the deans to carry out this new system.

The dreaded pink slip that used to signify truancy is now extinct. In place of absence slips a student must bring a letter from home explaining the reason for the previous day's absence. Every teacher checks roll in homeroom and those who are absent make up the daily absentee list which is published during seventh period. The names of those who do not appear on the list but were still absent from class are collected by monitors and taken to the deans before the end of school.

Reported as having missed a class, J. Smith, B. Bell, and S. Hopping see the attendance clerk to clear up the matter.

Mrs. Stottlemeyer keeps a six week's attendance record of each grade level by totaling the number of absentees at the end of every school day.

Fall Semester Head Monitors—B. Partner, J. Swetnam, J. Phillips, S. Warner, S. Steimer, D. Peck and D. Jones.

Spring Semester Head Monitors—B. Fossmeier, S. Kirkman, M. George, C. Henry, N. Howard and T. Martin.

Short Schedules Complicate Study

The shortened school schedule offers many seniors the opportunity to engage in part time employment. These jobs help give students practical experience in meeting the public, gaining business know-how and establishing confidence in themselves. Not to be overlooked among the many benefits is that item affectionately known as dough, mazuma, kale or even long green. In any man's language money certainly comes in handy.

Along with the benefits of a short schedule and outside employment, there comes that little question of homework. Since employed students must sacrifice their study halls for an early dismissal, the problem arises of where and when to do it. Most choose to write their themes and complete their note

books on American problems at home. Here they have to conquer the temptations of television, radio and telephone.

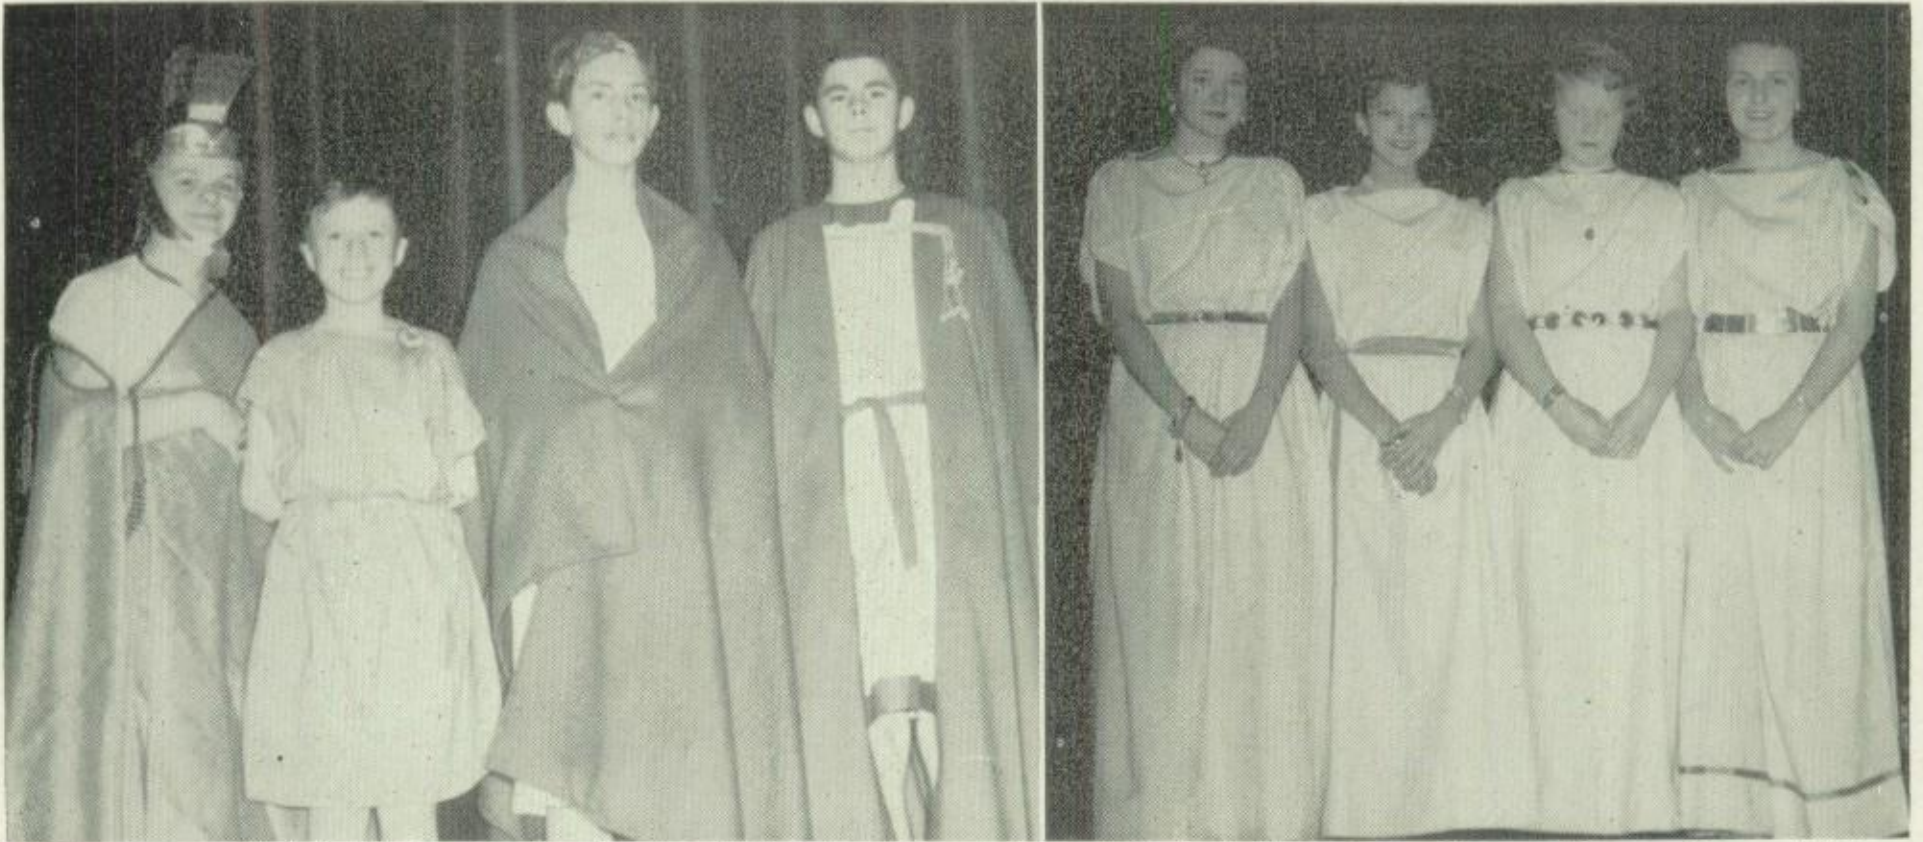

"Life is no bed of roses" but Jerry Rhodes works among many of them while delivering for Smith's Flower Shop. Jerry makes good use of the half-day program by attending school in the morning and working in the afternoon.

All Kay Epply needs is two heads! One could concentrate on that school book while the other one laughs at "I Love Lucy." Between telephone calls, cokes and TV, homework suffers, but never Kay.

Intriguing Courses Include More Than Books

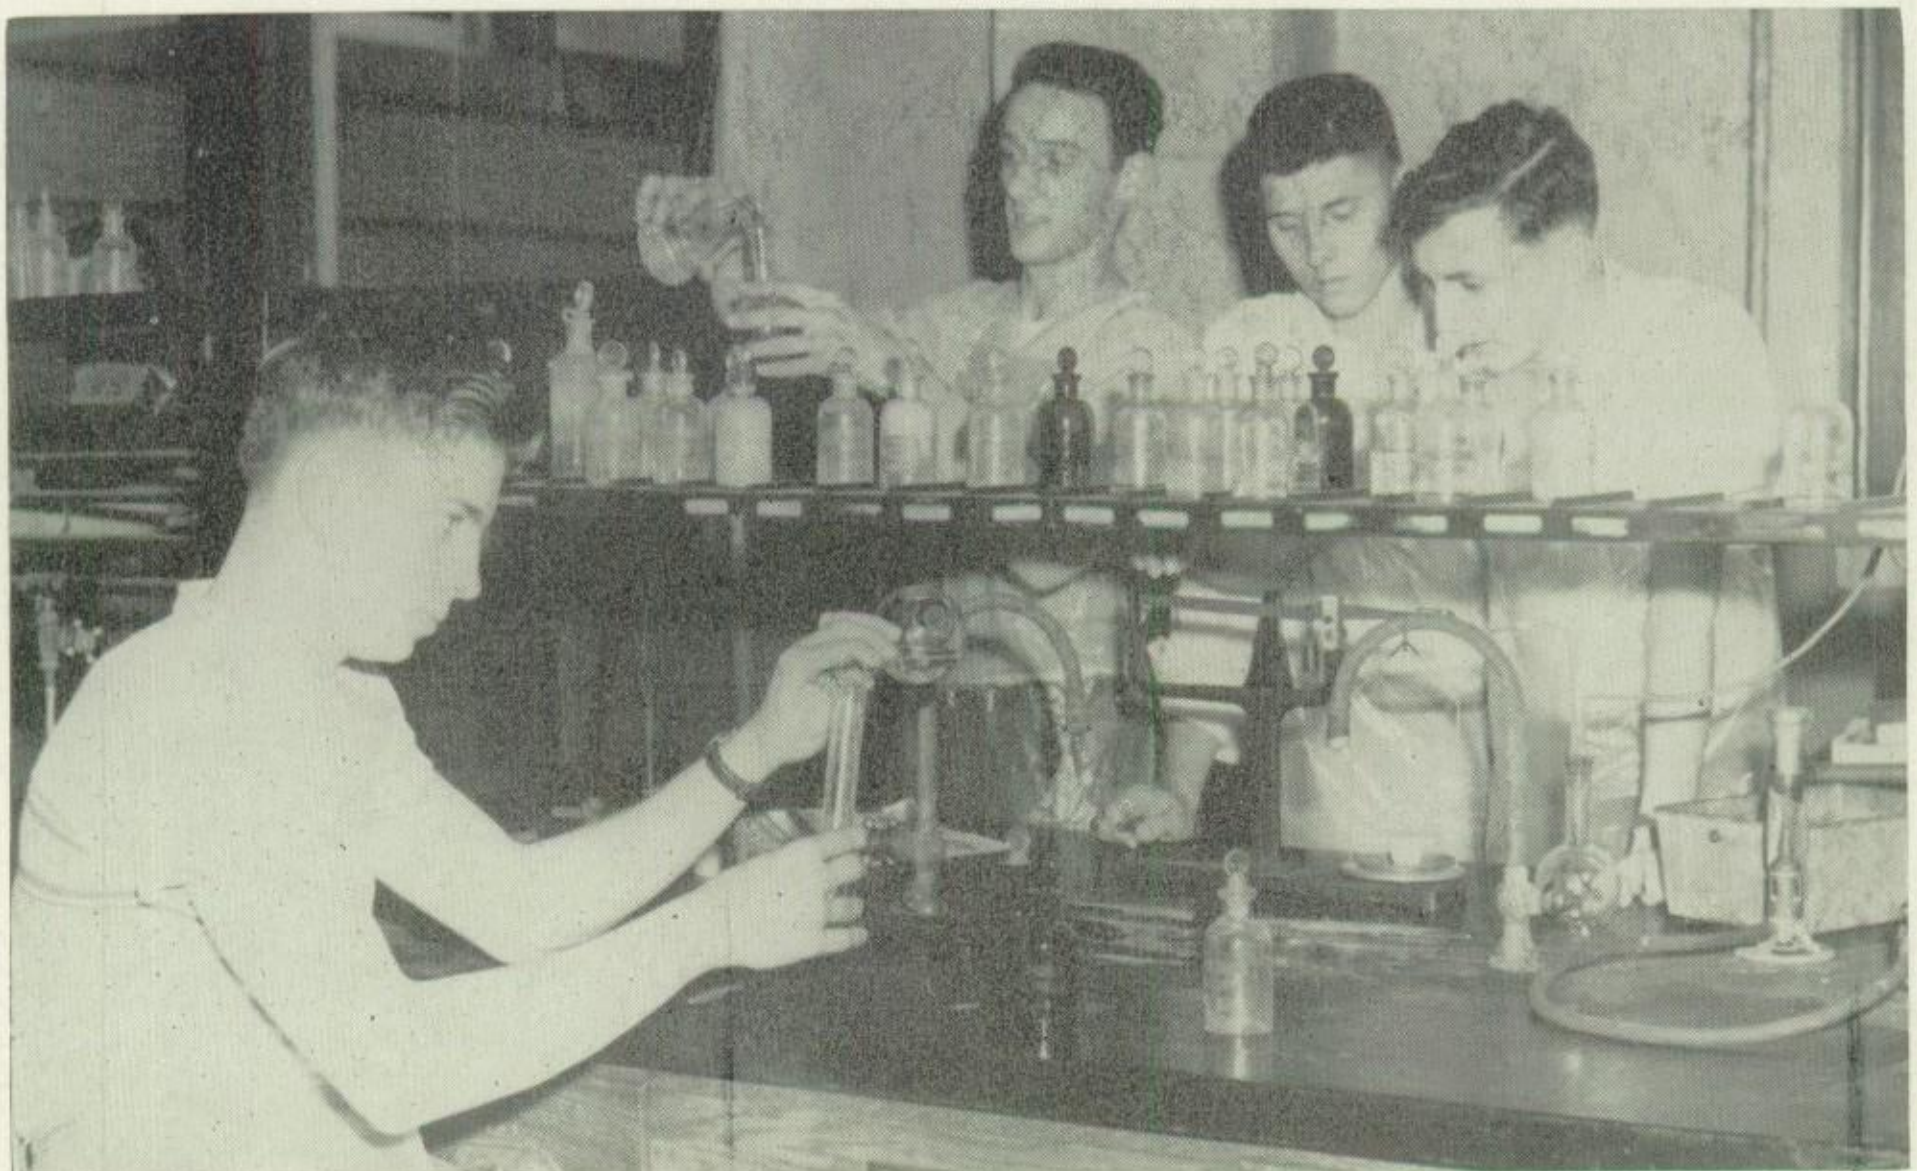

Mike Maine, Bill Seibold, Douglas Dronberger, Brad Stinson, Sue Ackerman, Melanie Martin, Kay Ross and Nancy Birt model togas which they made for the Latin Club style show. These modern day Romans learn about ancient customs by attending such activities as the annual Latin Club banquet.

No matter how many changes a school may make, its fundamental purpose and aim is to educate the students. There are numerous ways of accomplishing this goal. In addition to text books, some departments have applied interesting techniques of study to make their course more beneficial and appealing.

For example, Latin students not only learn hic, haec, hoc, but by joining Latin Club they discover something of ancient Roman life.

Local and outside lecturers, field trips, reaction tests in safety classes and experiments in physics and chemistry lab all contribute to give our school courses more variety and interest.

Quiet! Don't bother the little Einsteins. Test tube specialists Phil Foley, Dick Vickers, Dick Maynard and Bruce Partner develop a new formula of their own in the chem lab.

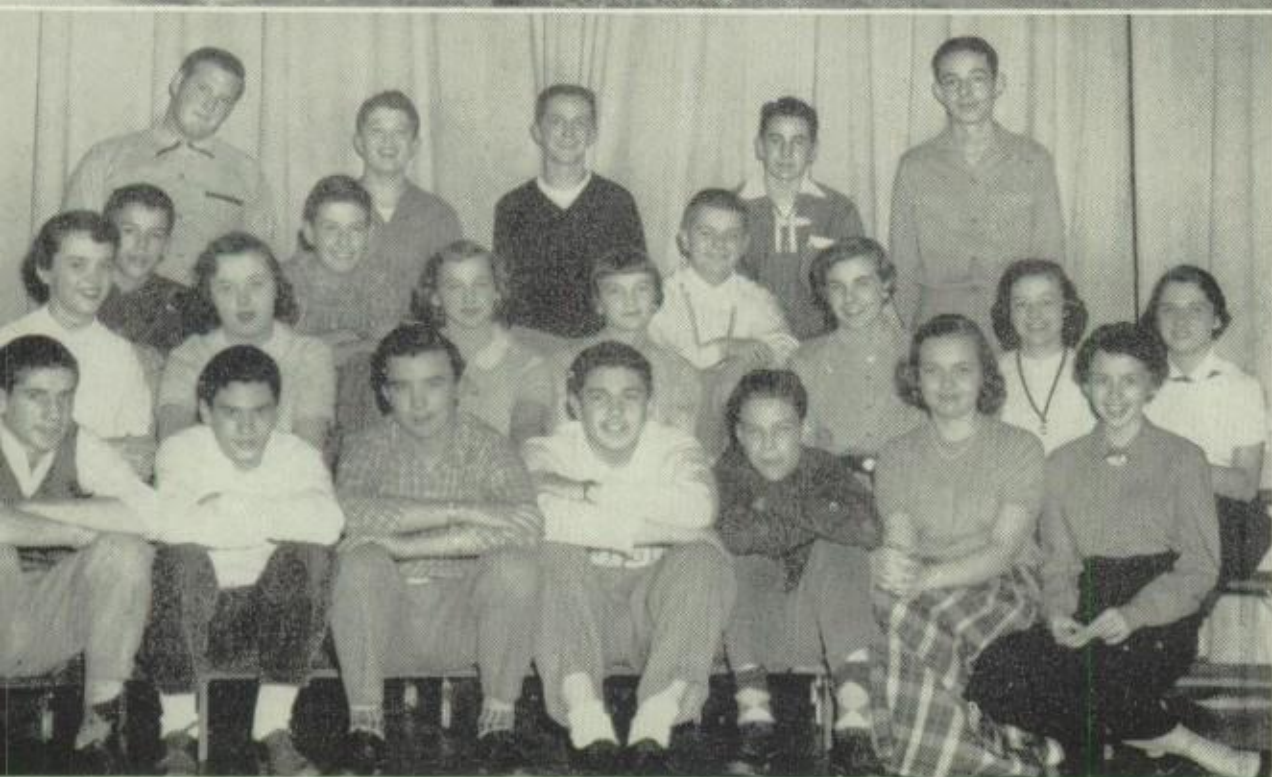

Executive Councils Keep Homerooms Posted

It is the responsibility of the executive committees to plan activities and handle the business of their respective classes. Class officers and elected representatives from each homeroom make up the committee membership. The junior executive committee includes the following: Sitting--J. Staggs, S. Skaggs, S. Jones, J. Lowry, T. Phelps, L. Granger. Standing--B. Smith, M. Vajner, C. Achor, P. Taggart, D. Achor, A. Fishback, B. Carroll, D. Sacilowski, J. Coffin.

The sophomore executive committee consists of: Row 1--B. Penn, R. Goldsberry, M. Wise, P. Dixon, M. Faust, J. Jones, M. Mitchell. Row 2--P. Singleton, D. Thompson, A. Day, D. Hutton, E. Reeder, J. Rozelle, A. Wittebort, C. Davis, B. Wallace. Row 3--J. Kirkman, D. Handley, G. Coen, B. Gray, T. Alley.

Freshmen do not elect special representatives to the executive committee. Presidents of the various freshman homerooms automatically hold this honor. This year's freshman executive committee is as follows: Row 1--N. Jones, D. Calabria, F. Lawrence, J. Hale, N. Peters, D. Watson, M. Marsh. Row 2--J. Wilson, J. Henry, R. Barr, A. Fishback, G. Babcoke, E. Gowin, J. Teush. Row 3--C. Lowe, S. Mollin, M. Maine. Row 4--M. Flatt, B. Sterling, J. Webber, T. Clem, J. Bragg.

CONVOCA-TIONS COMMITTEE: ROW I—Mrs. E. Grahame, Mr. B. Stewart, Mr. G. Davis, faculty chairman, Mrs. M. Hale, Miss A. Higman, Miss M. Palmer. ROW II—K. Epply, Mr. J. Garrigus, Mr. R. Boyd, Mr. M. Beigh, Mr. R. Rencenberger, J. Capron. ROW III—G. Chastain, J. Kimball, J. Allman, M. Ross, S. Warner, J. Ravage, J. Stoelting, L. Crouse, student chairman.

Convocations Always Add Color And

Members of the New Castle High School choir give their enjoyable presentation of "Carousel."

This year we looked forward to many convos which were not only entertaining but also proved to be a source of inspiration and knowledge. The convocations committee deserves a vote of thanks for planning such successful programs.

In October Anderson became excited and proudly held a welcome home party for returning Carl Erskine. During the festivities Carl, who was made mayor-for-a-day, spoke to AHS about his baseball experiences. On another occasion two national ping pong champions treated the student body to a professional table tennis exhibition.

We were fortunate in securing the "Presto Brothers" and their troupe of versatile performers for our student talent show. Everyone watched closely as Hocus and Pocus demonstrated extraordinary skills in magic. Music and dancing by other members of the company rounded out the morning's program.

A Choral Club exchange with New Castle brought us an entertaining hour of musical varieties, featuring their interpretation of "Carousel."

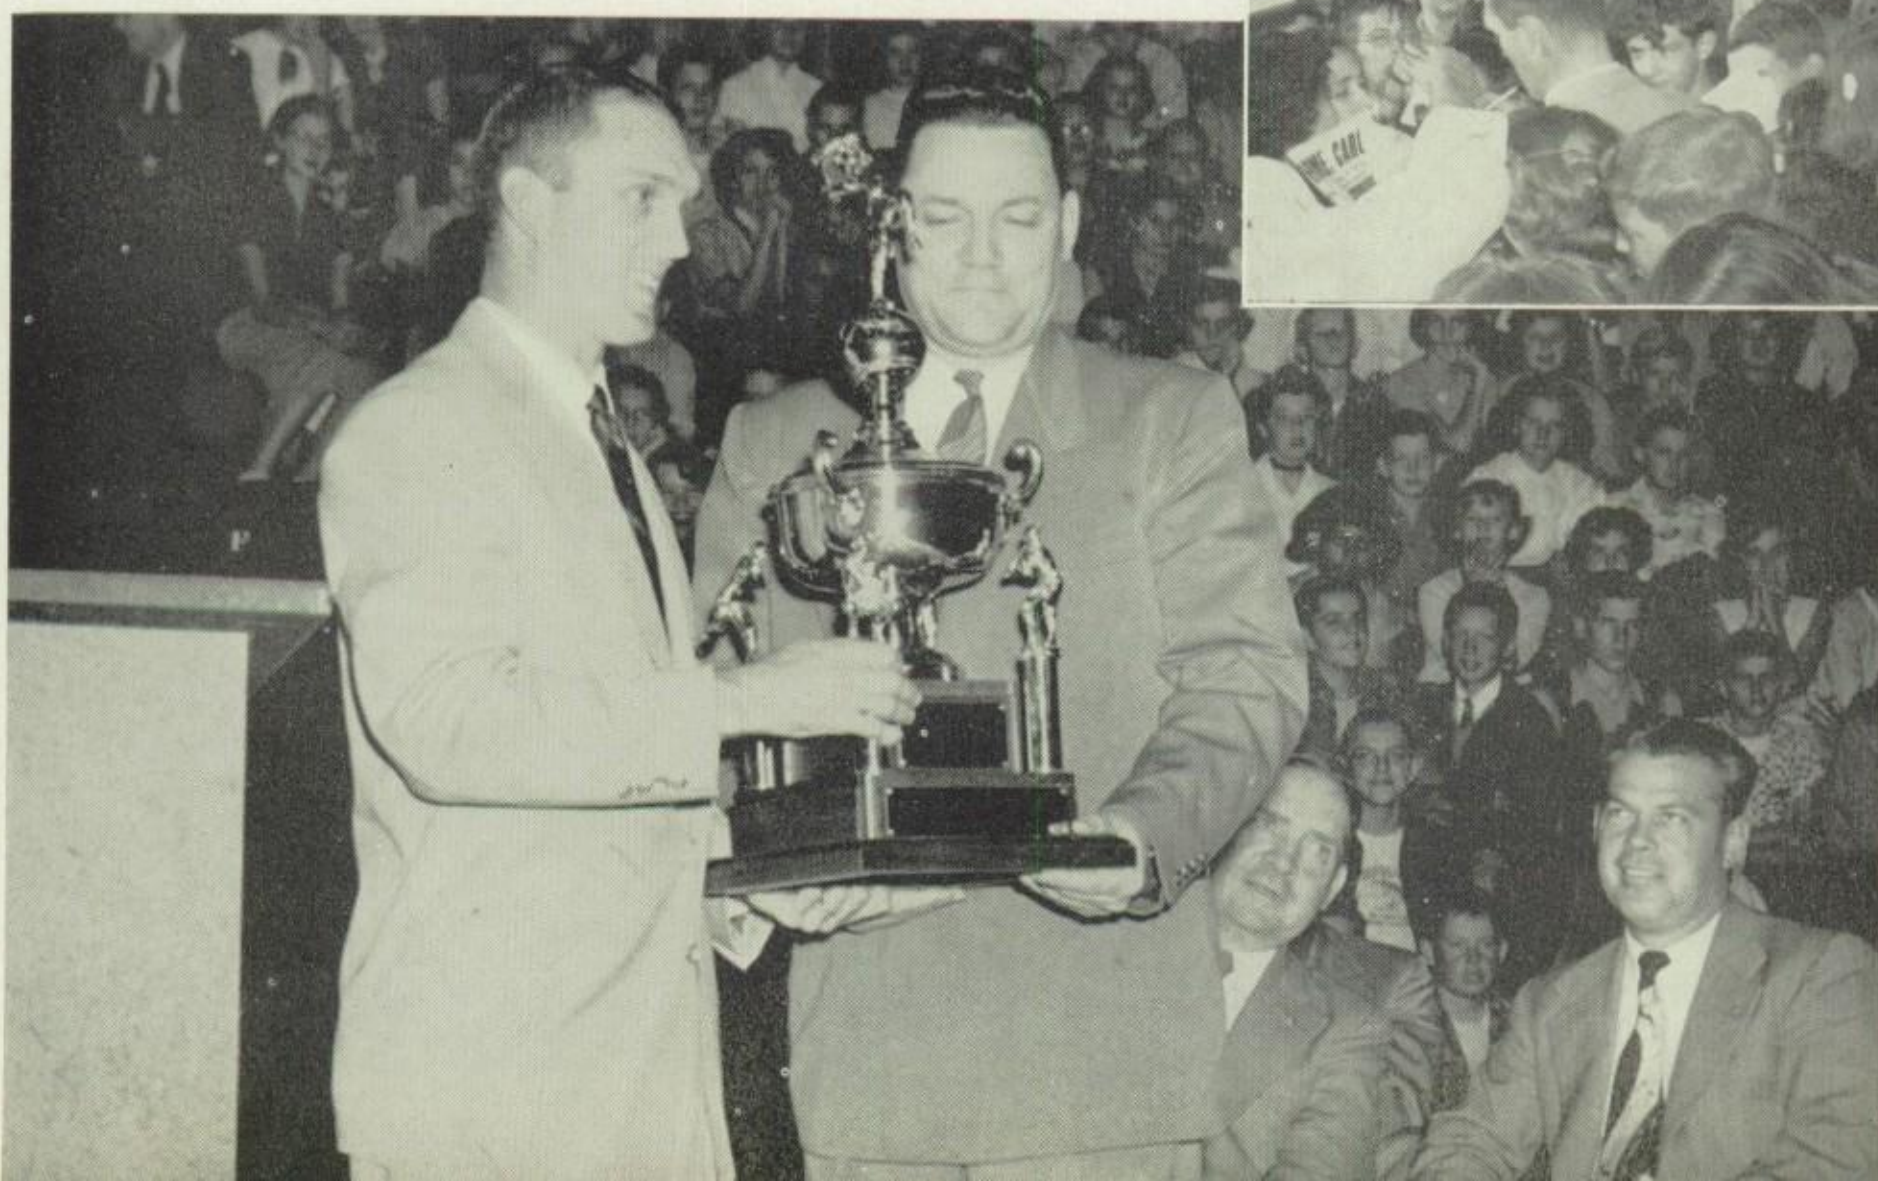

"Yeow, what gives with the milk!" says Jerry Sandifer in 'udder' amazement. Magician Pocus Presto, better known as Jim Kirkman, performs this miracle at the student talent show with the help of his bewildered assistants, Fred Wright, Larry Ehle, Billy Joe Smith and Catherine Byrne.

Aided by Anita Swinford, his charming assistant, prestidigitator Dave Wellington attempts to spear a chosen card from the deck. But alas, how disconcerting! Where's the Ace of Spades? Somebody goofed. Was it the pretty assistant, the volunteer from the audience or could it have been the sleight-of-hand artist himself?

Variety To Our School Year

Everyone beams proudly as Carl Erskine of "Inside Pitch" fame presents a new award to Principal Hutchison. Each year the most valuable player on the AHS baseball team will have his name inscribed on this handsome trophy.

After the Erskine Day convocation, home town fans give Carl a real welcome by crowding around for his autograph.

Red And Green Week Kindles Tourney Fire

Going out for Red and Green Week in a big way, J. Rhodes, J. Mitchell, N. Jones, G. Carroll, B. Hakes and L. Retherford proudly show off their painter's outfits.

Not to be outdone by the fellows, S. Kemp, B. Taggart, E. Rossin, M. Koss and S. Wagner sport cream colored corduroy skirts.

As the 1954 Sectional Basketball Tournament rolled around, the atmosphere of AHS once again turned to the colors of red and green. The thermometer that measured the excitement and enthusiasm of tourney fever rose to an all time high. Caught in action on the op-

posite page are the Indian Chief and Maiden.

Keen competition prevailed among students who wore our school colors in every way imaginable. Even the clubs caught the spirit of the occasion by featuring special garb. The climax of the festivities came with the crowning of Mr. Red and Miss Green.

Reigning as Mr. Red and Miss Green are Tod Wellington and Carol Rush. Jerry Hardacre, Barbara Fossmeyer, Jackie Dunkerly and Bob Peavler are runners up for the crown.

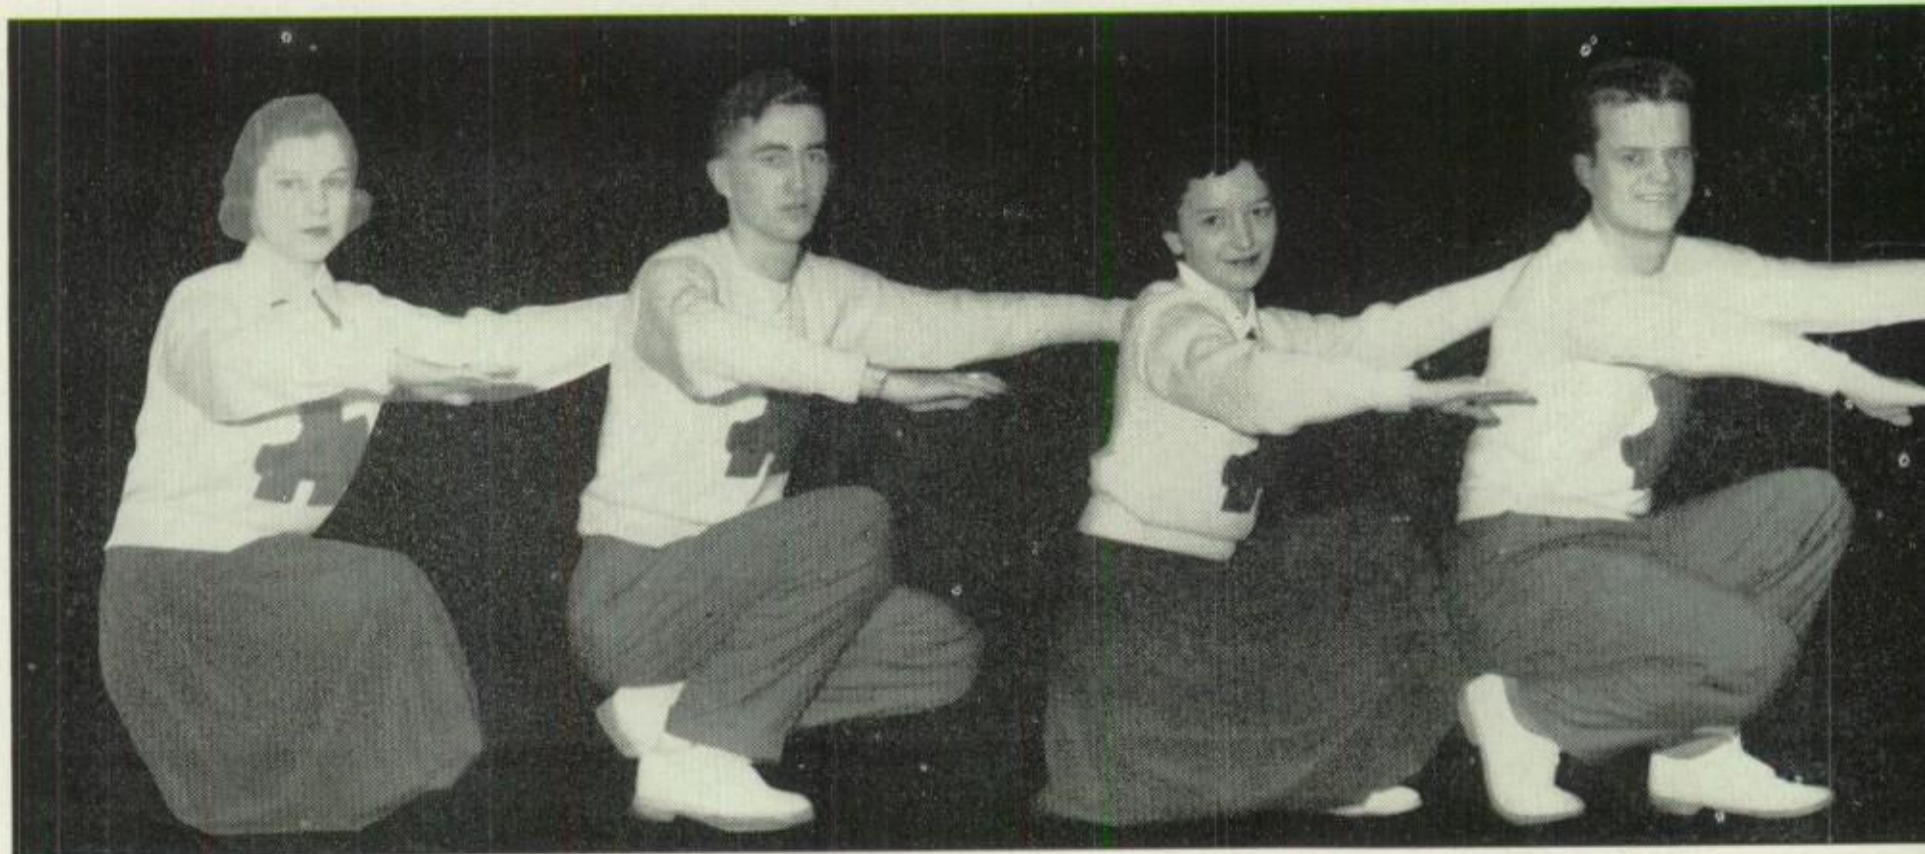

PEP SESSIONS COMMITTEE: Seated around table—J. Townsend, Mrs. B. Dietrich (faculty chairman), S. Stewart, B. Loose, Mr. C. Byfield, Miss A. Higman, J. McDanell, Miss M. Palmer, M. George, S. Steimer. Standing—L. Retherford, J. Hoard, B. Taggart (student chairman), Mr. R. McDowell.

Cowboys And Indians Invade Pep Session

The excellent pep sessions which we enjoyed throughout the year were the result of hard work and careful planning by the pep sessions committee. These programs certainly lived up to their name. They not only stimulated enthusiasm and school spirit but also boosted the

morale of the team mates. During one of these rooting sessions the student body witnessed a real live massacre, or a reasonable facsimile thereof. The day of the Lafayette "Broncho" game, two cow punchers strolled into our morning pep session and were lashed and burned at the stake by enthusiastic Indians.

Cheerleaders And Mascots Spark Enthusiasm

Pride in our team and in our school was kept at a peak during the season by our able cheerleaders and mascots. Leading the student body in many old yells and introducing new ones, these six peppy students devoted their time and energy to cheering our team on through victories and losses.

Another tradition was furthered this year by the choosing of the Indian Maiden and Indian Chief. Selected by the pep sessions committee were Kay McCullough and Ross Dovey. Doing their dance steps, they continued the practice started when a "real live" Indian taught the first mascot the art of Indian dancing.

One of the highlights of the basketball season was the Red and Green Week pep session. Clad in authentic costumes a group of Eagle scouts presented an ancient tribunal war dance before the cheering student body.

The cheerleaders made a very impressive appearance in their new uniforms. These outfits consisted of red skirts and jackets for the girls and green trousers and jackets for the boys.

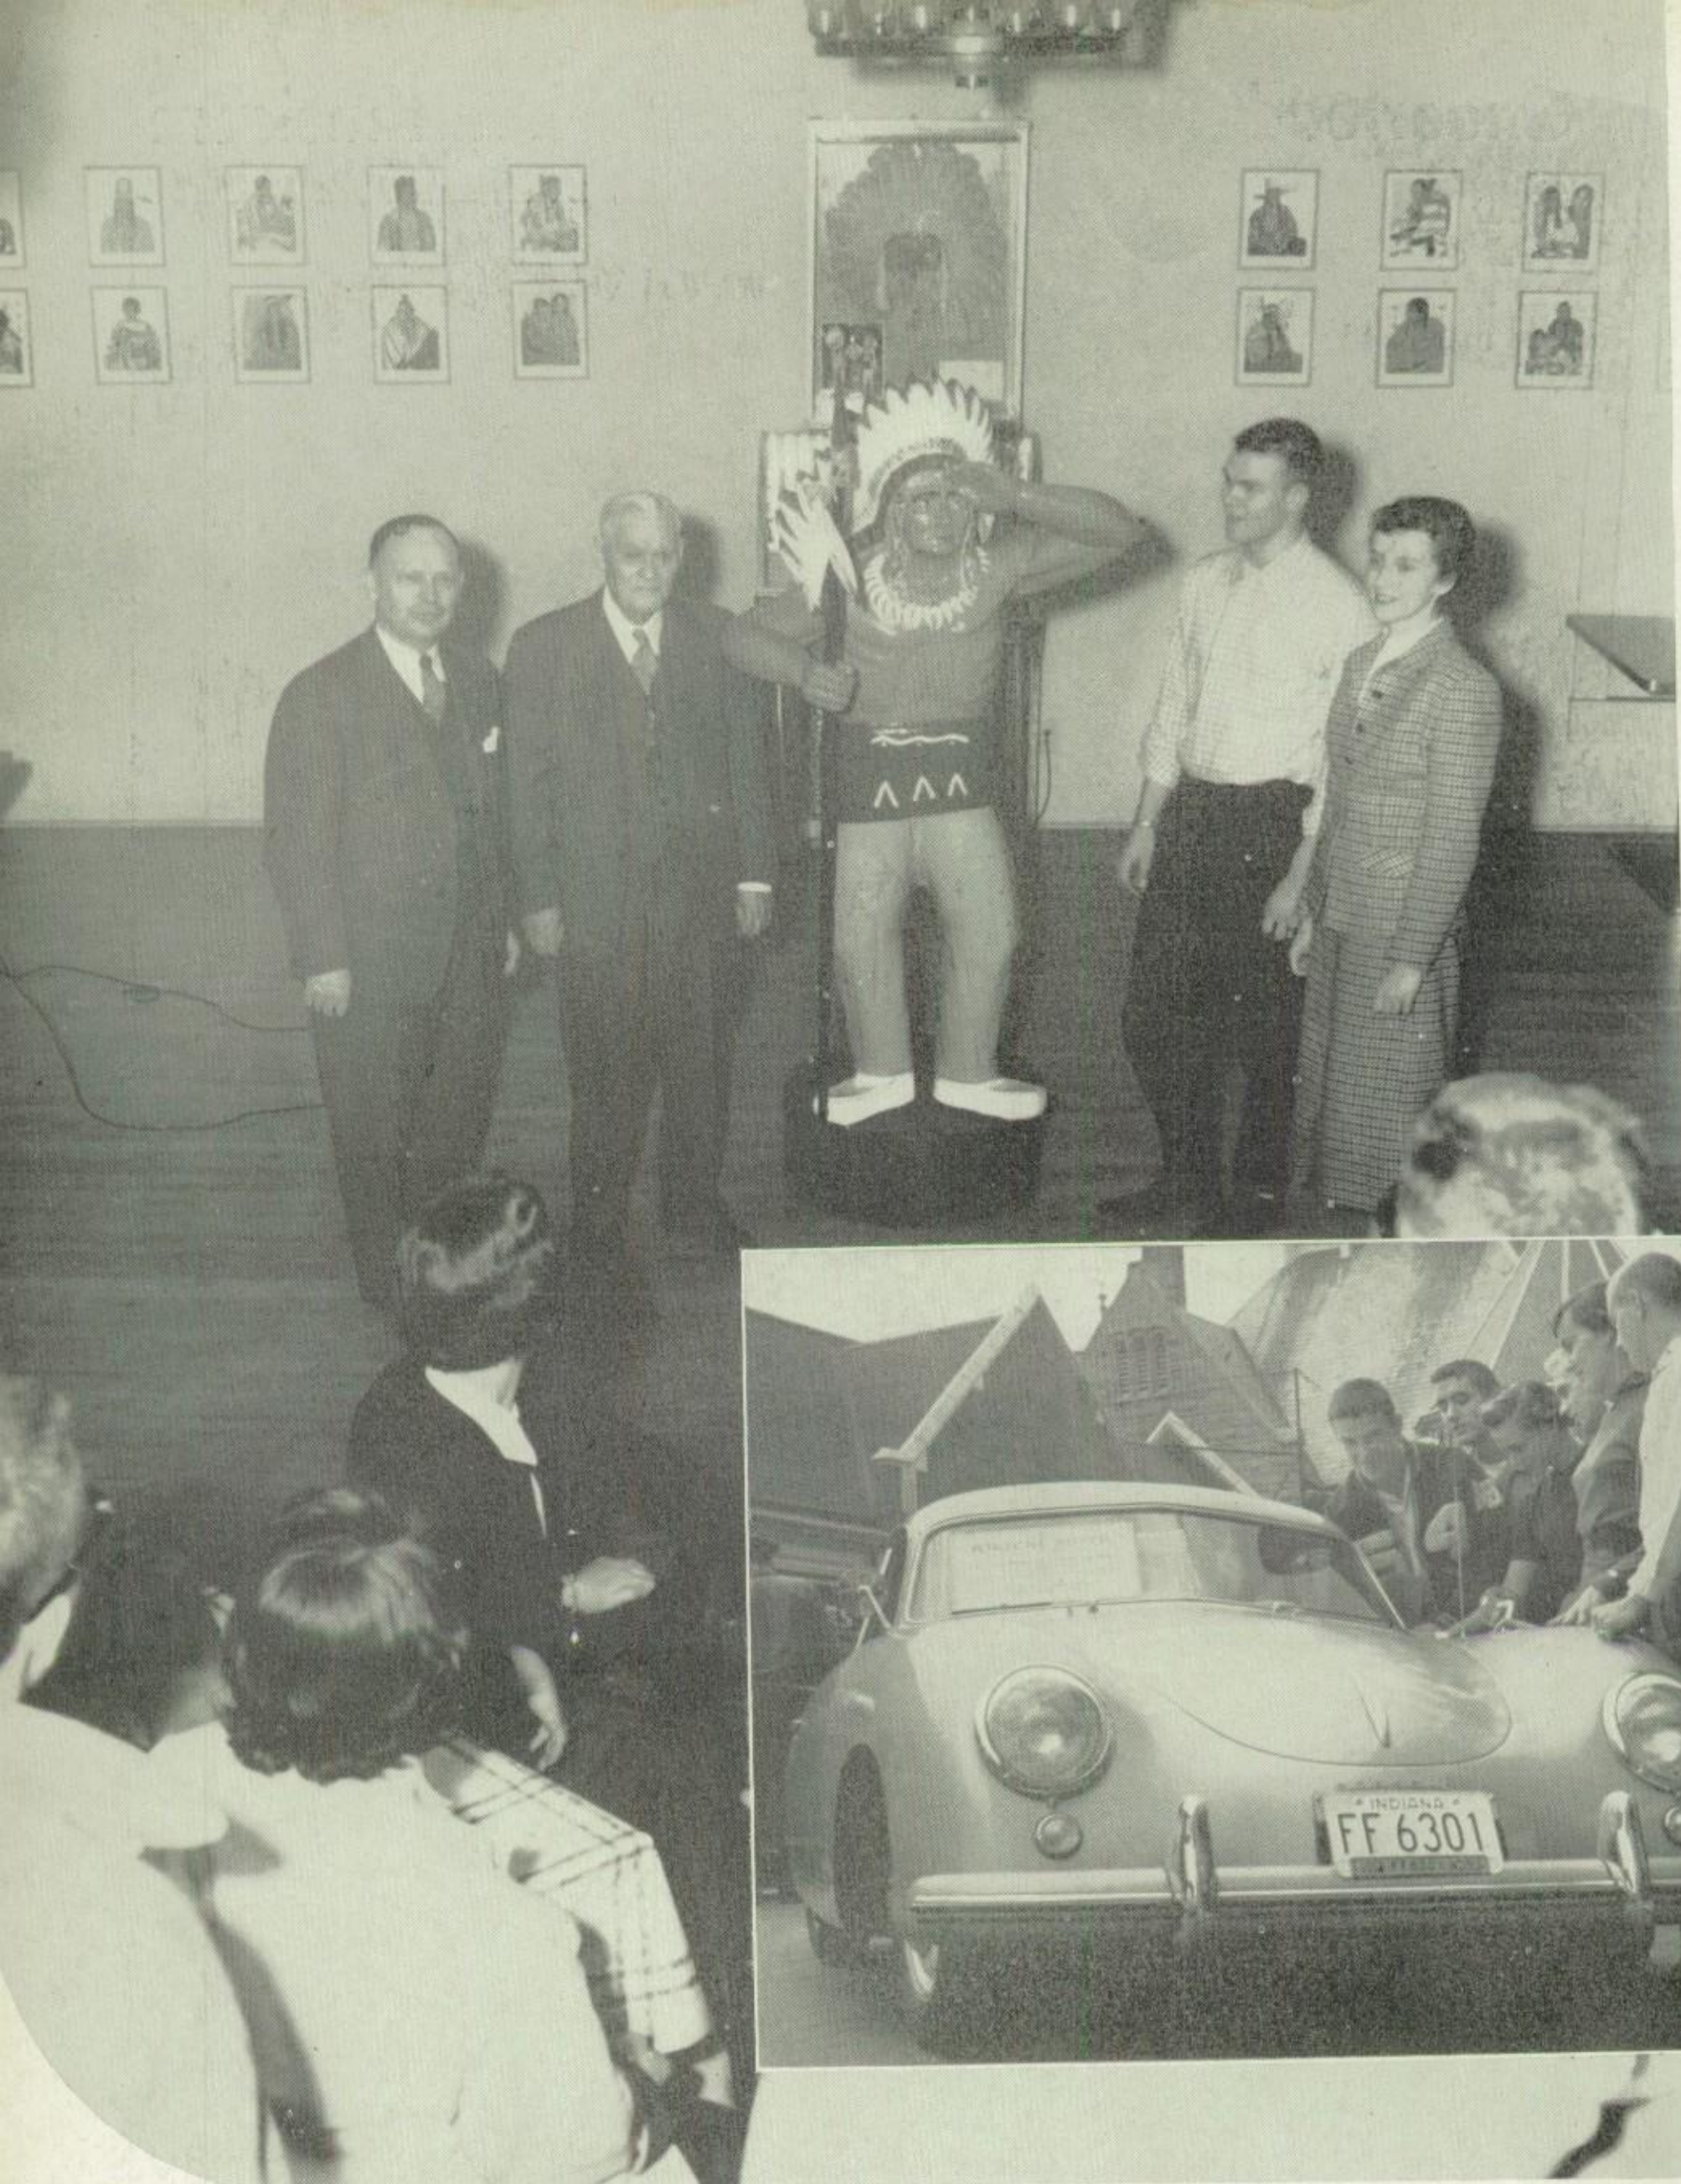

Looking back we are proud of our mascots and cheerleaders for the fine job they have done in maintaining school spirit and enthusiasm this past year.

Representing the true Indian spirit of Anderson High School are our mascots, Ross Dovey and Kay McCullough.

This year's six able cheerleaders are: Left to right—Joan Lowry, Dick Sacilowski, Pat Davis, Bob Bondurant, Kay Gwynn and Herschel Chamberlain.

The arrival of a real cigar store wooden Indian highlighted the celebration of the Indian Room's first anniversary. Shown above are: Mr. F. Zoll, Donor, A. L. Stewart, the big chief, Norm Howard, president of the Teenage Council, and Sara Stewart, program committee.

B. Stewart, L. Kilgore, T. Phelps, G. Babcoke, K. McCullough and B. Gaar admire a German Porsche, one of the many sports cars displayed at special program during the YMCA subscription drive. These students were among members of a high school group who did their part in selling "Y" memberships.

A typical scene showing energetic students performing the ever-popular bunny hop.

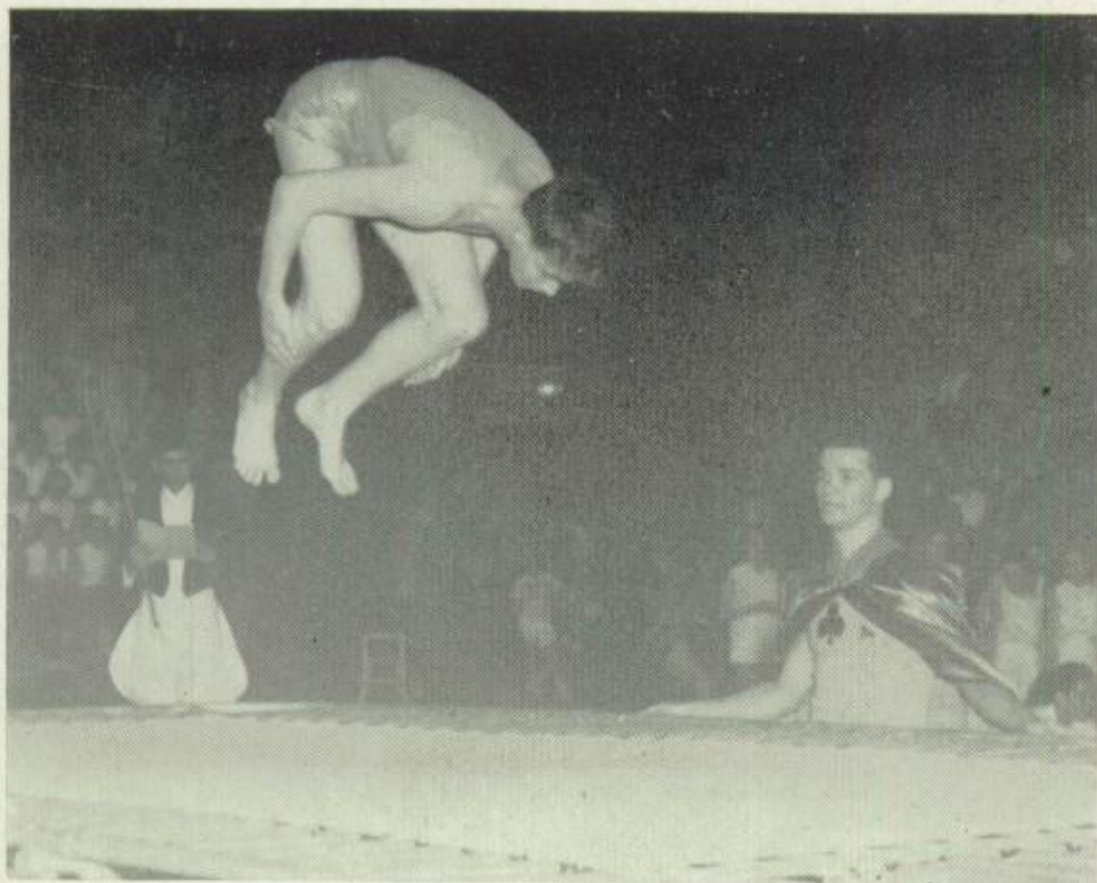

Memories of the many good times we had at soc hops, square dances, picnics and hay rides all go to complete our social year.

Indian Room Is Nucleus Of Our Social Life

As this year's social cinerama passes in review we find that the YMCA Indian Room served as a fitting background for many teenager activities. In addition to filling its purpose as a popular meeting place for students to spend their extra hours, the Indian Room has planned such special events as talent shows, box socials

and swimming parties. Partly responsible for these activities is the Teenage Council, which was elected by the students to carry out the extensive Indian Room program. This already attractive high school hangout was recently further beautified by the appearance of a wooden Indian and an authentic tribal head dress.

A new note was presented in civic entertainment this year when the YMCA sponsored a gym exhibition and circus in our high school gymnasium on April 23. Amid clowns and circus animals, 1200 performers demonstrated baton twirling and folk dancing. Shown above is Vincent Daubenspeck executing a difficult flip on the trampoline.

The Club Tom-Tom welcomed out-of-town students as well as home town supporters after basketball games and at tourney time. Here enthusiastic workers decorate the club prior to the 1954 sectional tournament.

Homecoming Fanfare Toasts Gridiron Victors

Amid floats, parades, queens, returning alumni and football excitement, we celebrated one of the first big social events of the school year, the third annual homecoming.

The four school classes and nearly all of the clubs shared in the festivities by entering colorful floats in the pre-game parade. After progressing through town the parade eventually terminated at Denny Field where judges picked the winners. The seniors were an exceptionally happy lot, for they not only had the winning class float but also saw their candidate, Kay Collings, crowned homecoming queen.

The Indians kept their part of the bargain, too, by defeating the Marion Giants, 27 to 13. This football triumph provided the perfect climax to a full day of activities.

This float, decorated by The National Thespian Society, took top honors in the Homecoming parade. The second prize went to G.A.A. and Hi-Y was awarded third place.

During halftime Kay Collings receives the crown of royalty from Student Council President Bruce Partner. Left to right Kay's pretty attendants are Myrna Nuzum, Pat Stratton and Anita Hughes.

These three popular lasses combine personality with beauty to attain the title of queens of our biggest dances of the year. Sandra Highbaugh was crowned Belle of the Ball at the Y-Teen Silver Bell Dance. The first dance queen of the year was Loretta Scharnowski at the Fall Wind-Up. Phyllis Green was selected as the sweetheart at the annual Sweetheart Ball.

Queens Make Royal Debut In Dance Realm

For variety's sake a member of the stronger sex is given the chance to reign over a dance at the Beau Brummel. This year's king, Bill Jackson, is pictured with his top hat, cane and date, Bev Duncan.

Dances seem to represent a very important phase of school life, for they are widely anticipated by a great many students throughout the year. Corsages and boutonnieres, the delicate rustle of formals, sweet music, refreshments and the crowning of a queen all go to make up memorable evenings that will long be remembered.

The Fall Wind-Up, which is sponsored by Student Council, is given in honor of the cross country and football athletes. This year Loretta Scharnowske happily took her seat on the dance throne to become the Fall Wind-Up Queen of 1954.

At the Silver Bell the royal crown was accepted by a thrilled senior named Sandra Highbaugh. Phyllis Green lived in a dreamland all her own for one whole evening as she reigned as queen of the Sweetheart Ball.

Highlighting the evening of the Stardust Dance was the bestowing of the king and queen titles to Bruce Hakes and Pat Pheanis. This dance is unique in as much as a majestic couple is recognized and two gold cups are awarded.

'54 "Promers" Enchanted By Southern Belles

The fragrance of magnolia trees filled the crisp evening air. Listening closely one could hear the faint trickle of water from glistening fountains. In the background an enchanting colonial mansion with snow white pillars could be seen through spreading cypress trees.

This picturesque scene was set in an atmosphere of gardens with overhanging Spanish moss and wrought iron benches.

To these unique surroundings came charming couples to dance to the captivating music of Clyde Trask and his orchestra at the 1954 Junior Prom.

"Southern Serenade" was the theme of the biggest and most elaborate dance of the year which was given by the hard working juniors on May 28 in the Eagles' Ballroom.

Though the decorations were very beautiful, the most impressive sight of the whole evening was the crowning of the prom queen, Joan Lowry, who was chosen by the junior fellows to reign over the "Southern Serenade."

Adding that final touch of beauty to a most successful prom were Joan's attendants, Anita Hughes and Darline Blackwell.

Lovely Joan Lowry, Queen of the "Southern Serenade," is pictured to the left. Below are the 1954 prom attendants, Darline Blackwell and Anita Hughes, whose beauty enhance the colonial atmosphere which was used as this year's dance theme.

Dressed appropriately these suspicious looking characters had a great deal to do with the success of the Hobo Party. The bums are as follows: Top row—D. Bannon and L. Stewart, co-chairmen. Bottom row—Sub-committee chairmen, B. Bell, D. Myers, K. McCullough and J. Knotts. Not pictured are C. Gentry, E. Burton, D. Wellington, F. Newman, B. Jones, C. Welcher, J. Tipton, P. Pheanis, B. Hakes, D. Couch, A. Pancel, J. Ehle, J. Mass and S. Bunbalough.

SENIOR WEEK

All good things must come to an end. So it is with a high school career. The refrains of "Pomp and Circumstance" began to take on new meaning as we seniors finally realized that graduation was very close at hand.

Senior Week and all its gaiety provided a perfect climax to our four busy years at AHS. This week, which was chock full of exciting

activities, began with the Hobo Party. Replacing last year's Circus Party, this event was staged at the Y.M.C.A. gym with Keith Sylvester providing the music. At the Senior Talent Show everyone was invited to the official opening of the "Tropicana Club," one of Anderson's newest night spots.

The Senior Talent Show committee worked long and hard to bring us their interpretation of an opening night at the "Tropicana" nightclub. Practicing a chorus line step the committee chairmen and sub-chairmen are K. Gwynn, chorus; F. Wright, lighting; M. Ross and B. Cumberland, co-chairmen; S. Wagner, scenery; L. Crouse, props. Not pictured are L. Retherford, script; P. Green, prophecy; S. Highbaugh, will.

"Do you prefer your eggs sunny side up or once over lightly?" inquire the chef and his smiling assistants. These apron clad seniors were in charge of the Senior Brunch which was highlighted by the musical entertainment of Clarie Nunn. Members of this committee are: standing—K. Zurmuehlen, J. Rager, C. Wood and N. Howard, co-chairman. Sitting—C. Schofield, co-chairman, and A. Pakes.

"How about some more baked beans?" was a frequent expression heard at the Senior Picnic. Responsible for planning this event were L. Jones, co-chairman, M. Gustin, D. Julian, J. Schmidt and S. Steimer, co-chairman. Other sub-committee chairmen were G. Bennett, D. Jones and P. Cunningham.

IS HERE AT LAST

Following the talent show Noblesville became the destination for all seniors. Here swimming, golf and good eats were enjoyed at the Senior Class Picnic.

The introduction of a new activity called Private Parties turned out to be very successful. It gave anyone who wanted to the opportunity to entertain.

The Senior Brunch, Dinner and Dance, A.A.U.W. Tea and Senior-Faculty Dinner completed a week that will long be remembered.

D. Peck and E. Rossin, co-chairmen of the Senior Dance, look on as Y. Breedon and B. Bondurant enjoy the music of Billy Moore.

Other activities and their co-chairmen are: seated—E. Hodson and S. Kemp, co-chairmen of gifts. Standing—G. Perdue and D. Rotruck, co-chairmen of inter-class activities, and J. Bohne and P. Foley, co-chairmen of registration. (top picture)

Remaining activities and their chairmen are: seated—K. Thompson and S. Weatherly, co-chairmen of private parties, and S. Stewart and J. Buxton, co-chairmen of the Senior-Faculty Dinner. (bottom picture.)

Terry Randall, a struggling young New York actress, is faced with an important decision. Should she accept a movie offer which brings with it an almost certain guarantee of success, or should she stay with her first love, the theater, and continue her quest for Broadway acclaim? Hollywood Producer David Kingsley and Playwright Keith Burgess vie for her favor and play a large part in solving her problem. Pictures above left is David Kingsley played by Dave Wellington. Maxine Ross is the center of attention as she portrays Terry Randall, and on the right the role of Keith Burgess is enacted by Fred Wright.

"Just look at your tie! Ah declare, Ah don't see how Ah can keep on lovin' you, the way you get yourself up." It looks as if big Texas Oil Man Sam Hastings is falling for the sweet talk of honey chile Bobby Melrose. These parts were played by Betty Sargent and Mark Earhart.

Audience Peeks Thru "Stage Door" Of Senior

The above students not only contributed to the success of "Stage Door" through their acting but also through their hard work on the stage crew and properties committee. Row I—D. Cook, stage manager; J. Stoelting, business manager; N. Jones, properties; M. Erehart, stage crew; F. Scott, stage crew; J. Combs, properties; and Miss A. Higman, faculty director. Row II—D. Stoner, stage crew; L. Retherford, stage crew; L. Stewart, lighting; Mr. B. Sanders, student teacher, and D. Boone, properties.

"All eyes on Miss Maitland, please!" This was a big moment for the starlets of the Footlights Club. The Senior Dramatics Class was as follows: D. Boone, J. Combs, D. Cook, B. Cumberland, M. Erehart, B. Erlandson, B. Fossmeier, P. Green, S. Highbaugh, J. Howard, N. Jones, S. Kemp, L. Retherford, M. Ross, E. Rossin, B. Sargent, C. Schofield, F. Scott, S. Shear, F. Seibold, N. Stephenson, L. Stewart, S. Stewart, J. Stoelting, D. Stoner, D. Van Camp, S. Wagner, S. Warner, D. Wellington, F. Wright.

Class Play To See Ups And Downs Of Theater Life

"Yes, this is the Footlights Club. No, Miss Maitland isn't here. She flew to California this morning to take a screen test." These lines are familiar to all who enjoyed this year's Senior Class Play, directed by Miss Alice Higman.

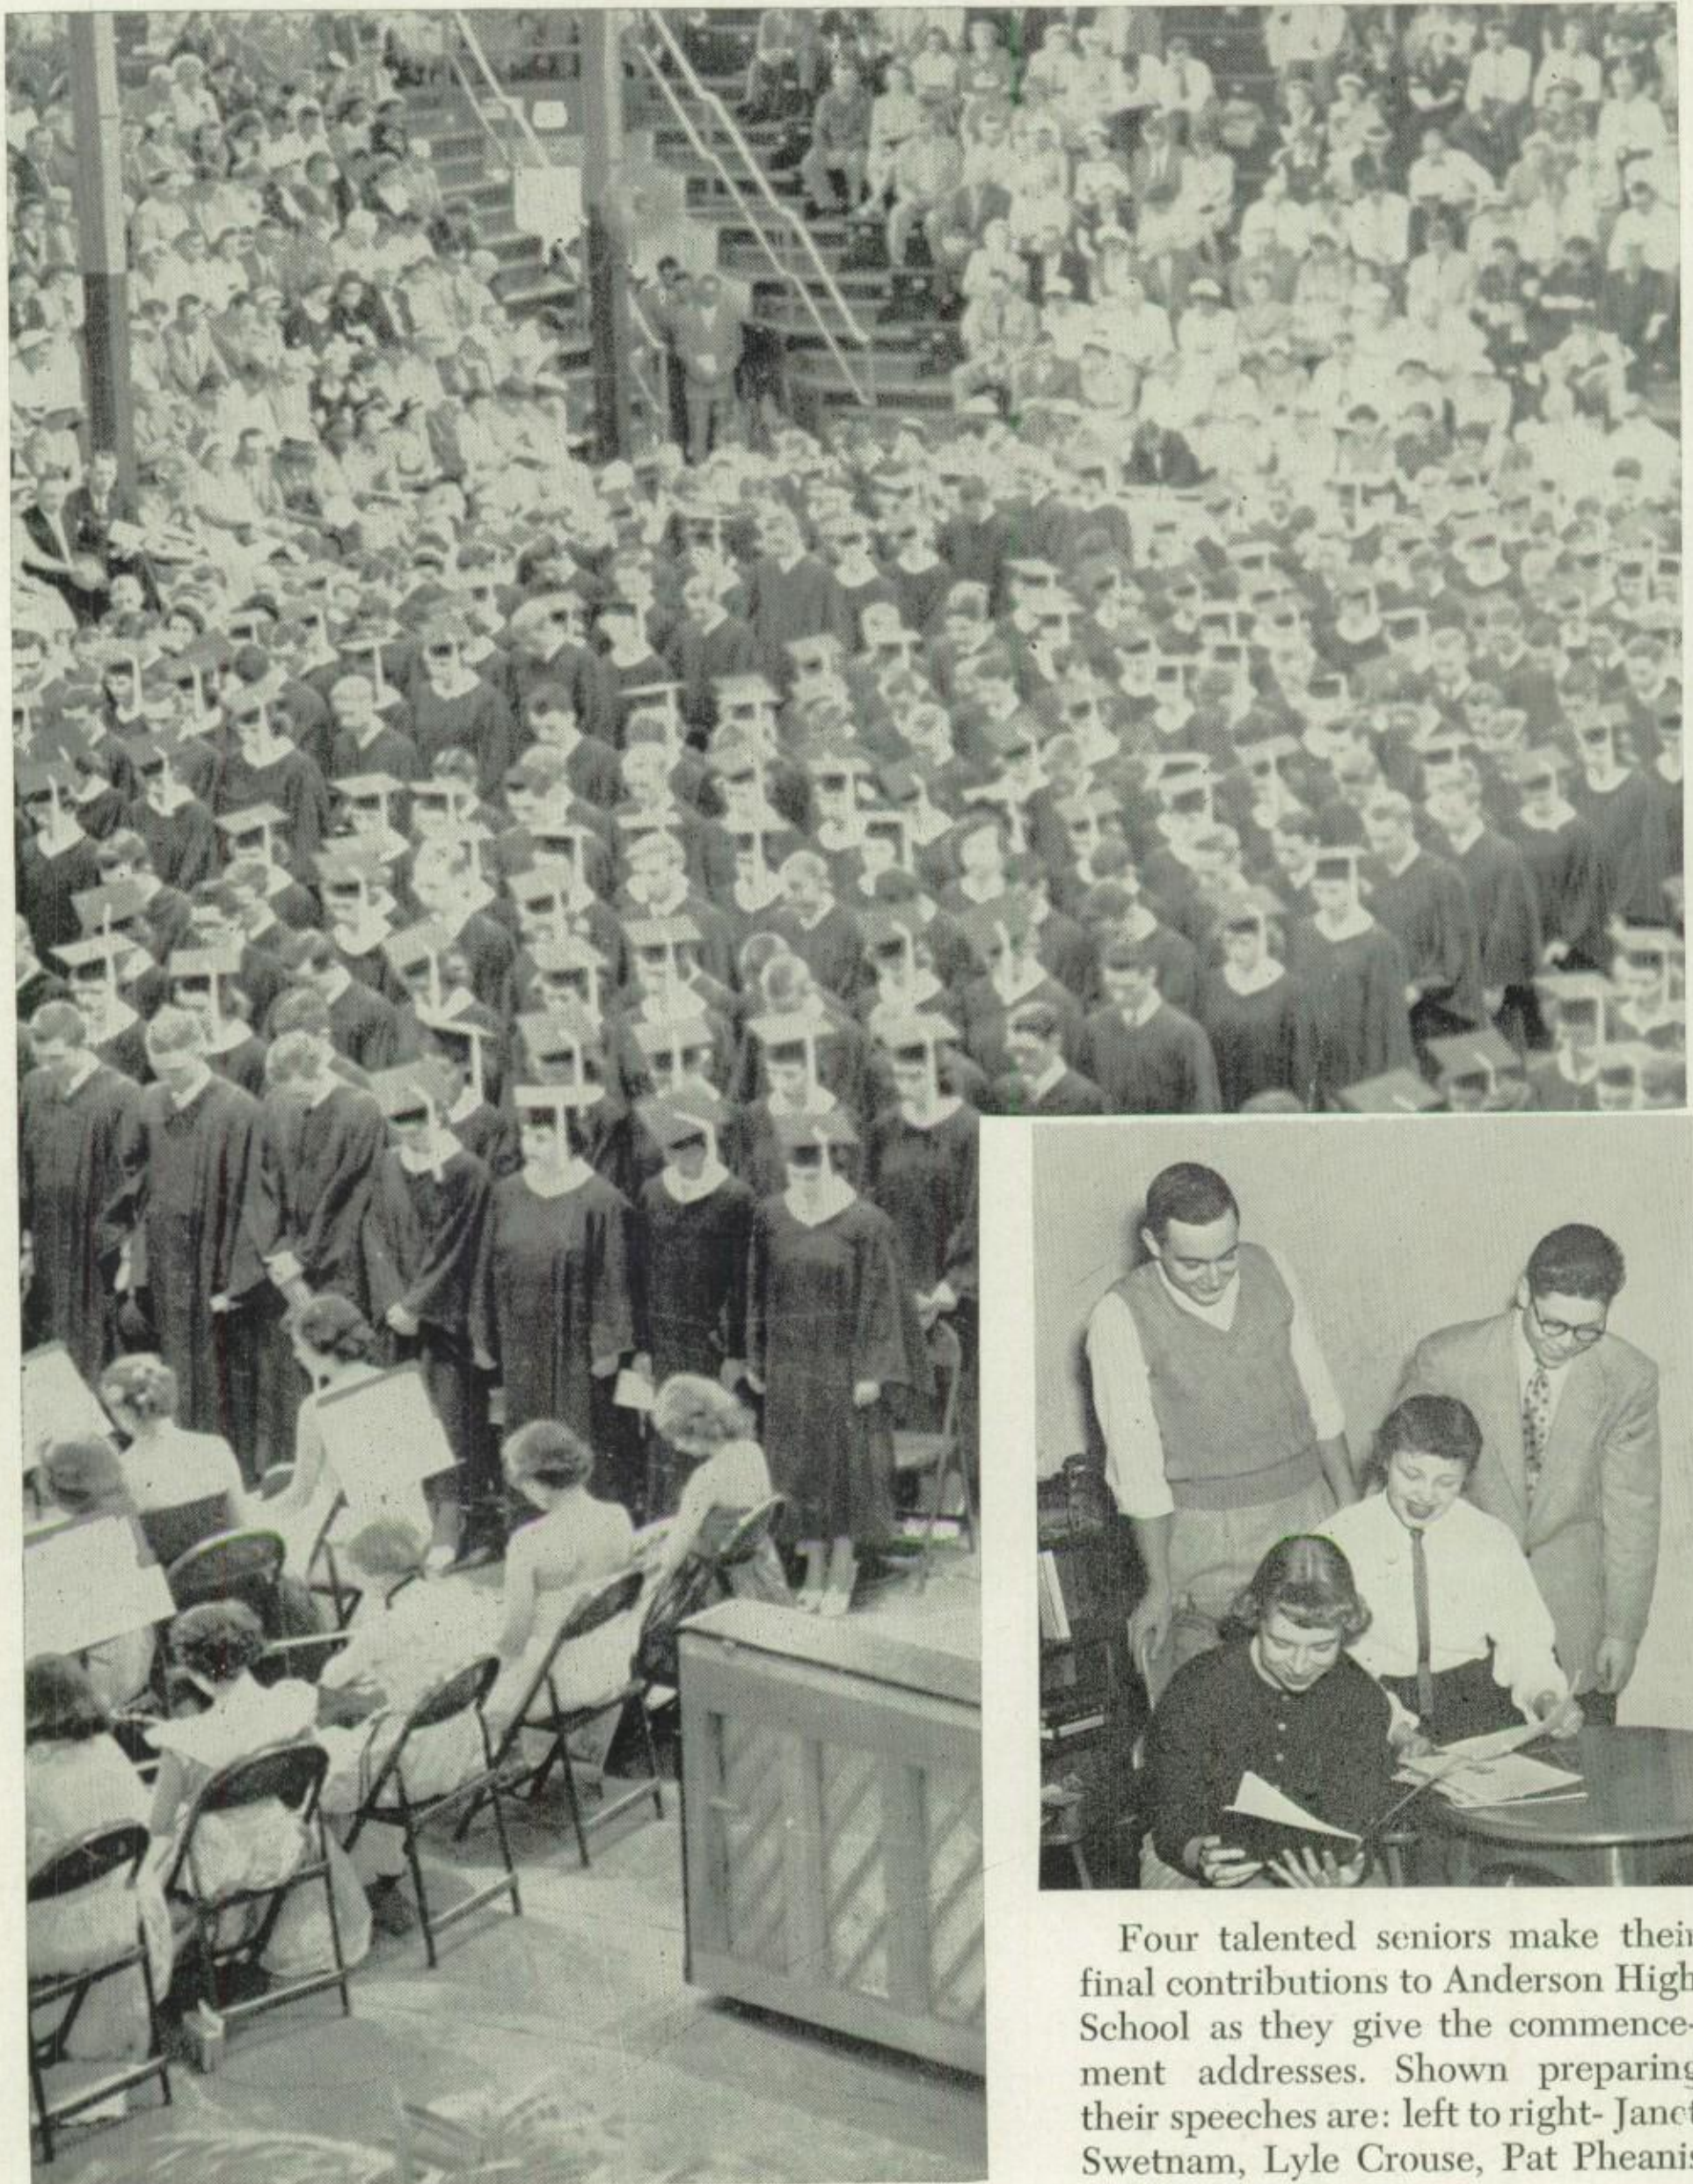

Behind the glitter of Broadway lies the dramatic and poignant story of those who never quite reach the top. The Senior Dramatic Class tried to portray this story through their production of "Stage Door," which depicted the not-so-successful lives of the girls of the Footlights Club.

All of those who know anything about the struggles and heartbreaks connected with the theatre would have sympathized and cheered as a young actress, Terry Randall, rose to stardom after many failures.

"Step right up, folks, Hurry! Hurry! Check your coupons closely. Who'll be the lucky winner?" With the turn of the crank Publicity Man Bill Cumberland shuffles the numbers and calls a little girl, Betty Sargent, out of the audience to determine who will receive two free tickets to the Senior Class Play.

Graduation Is Commencement For The Future

Four talented seniors make their final contributions to Anderson High School as they give the commencement addresses. Shown preparing their speeches are: left to right- Janet Swetnam, Lyle Crouse, Pat Pheanis and Charles Petry.

administration

The blowing of the 3:30 whistle does not necessarily mean quitting time for the teaching staff. Not infrequently they find themselves called into special after-school faculty meetings as our picture portrays. At these meetings new methods and techniques of instruction are reconsidered and attention is drawn to particular school problems which concern staff and students alike.

The students as well as the teachers benefit from such meetings for class instruction and the functioning of the school as a whole are greatly improved. Miss Evelyn Grahame appears to be aware of this fact as our camera catches her teaching a Senior English Composition class.

We students are not the only ones involved in extra-curricular activities. Many teachers, too, devote considerable time as club and class sponsors. With this in mind we extend a sincere vote of thanks to those who give of themselves above and beyond the call of duty.

Hutchison Plans Busy Administration Schedule

Pictured is Principal William I. Hutchison enjoying his favorite sport, bowling.

Is running a high school of 2600 a very hard job? One can certainly tell as he watches Mr. William I. Hutchison, principal, that it is very hard and that there is more to the task than meets the eye. One of his more familiar duties is that of making announcements every day. Mr. Hutchison works mainly with the faculty and the administrative parts of the school system.

Last February, Mr. Hutchison received the honor of being named to one of the reviewing committees of the North Central Association of Colleges and Secondary Schools.

Most generally one can find Mr. Hutchison at a bowling alley as bowling is his favorite pastime.

Sharp Helps With Student-Faculty Matters

Mr. James Sharp is perhaps one of the busiest men in AHS. His duties concern the students more than the administrative part of the school. Mr. Sharp is on many school committees and works with the students used book store, which is probably the least liked of his activities.

Working with the many clubs enables Mr. Sharp to become better acquainted with the students.

In his free time Mr. Sharp enjoys working with automobile engines.

Jimmy Sharp tells his Daddy a few things about the family car.

Deans Guide and Counsel With 2500 Students

In addition to other activities, Mrs. Rhyneearson displays skill in cake decorating.

Boys and girls can easily be misunderstood. Both Mrs. Edna Rhyneearson, dean of girls, and Mr. Howard Armstrong, dean of boys, try to the best of their ability to counsel and teach each of the students. Writing intra-murals and keep-

With traveling as his chief interest, Mr. Armstrong also enjoys reading.

ing harmony between the student, faculty, family and the school are also important in their work.

As most people, these teachers have many outside interests and activities.

Foresighted Individuals Make Plans For Future

The four short years that we spend as high school students are all-important in the preparation for a higher education and finally a successful career in business, industry or one of the professions.

Convos, pep sessions and field trips add spice and variety to our high school days. The goal, however, must be reached by earnest application and the burning of some of that well-known "midnight oil" as Lyle Crouse is doing across the way.

A school is what its students make it. On the following pages we are proud to present those who have made Anderson High what it has been this year, 1954.

SENIORS

"In the spring a senior's fancy turns to thoughts of Senior Week." It is a wonderful feeling to be a member of the "top" class. Before anyone has had time to enjoy it, he begins to feel the pain of leaving those extra special high school days behind.

Senior Week came through with flying colors under the leadership of our class president, Gary Babcoke, with the assistance of the executive committee and all of the Senior Week committees. Senior Week began with Baccalaureate. Every day was a memory within itself clear down to Commencement.

Commencement brought Senior Week to a close. Our four Commencement speakers, Patricia Pheanis, Janet Swetnam, Lyle Crouse and Charles Petry, did their job well. As we marched up the aisles to the strains of "Pomp and Circumstance," we had a feeling of sadness and happiness. We were sad because we were leaving, but we were happy because we made it through.

He's on the bandstand! President Gary Babcoke believes in beating his own drums.

An interested audience peeks around the corner to lend support! Top to bottom, Donald Cook, vice president; Myra Sibery, treasurer; Betty Taggart, secretary.

SENIOR EXECUTIVE COMMITTEE—Row I—B. Taggart, G. Babcock, M. Sibery, D. Cook. Row II—D. Couch, D. Hoffman, S. Ziegler, M. George, D. Bannon, B. Bell, J. Raup, L. Stewart, G. Ewing, D. Bryan, N. Howard, J. Rager. Row III—K. Collings, E. Hodson, J. Brandon, B. Line, S. Bumbalough, J. Bohne, K. Thompson. Row IV—J. Stoelting, L. McKay, L. Jones, P. Foley, D. Faust, C. Edgecomb.

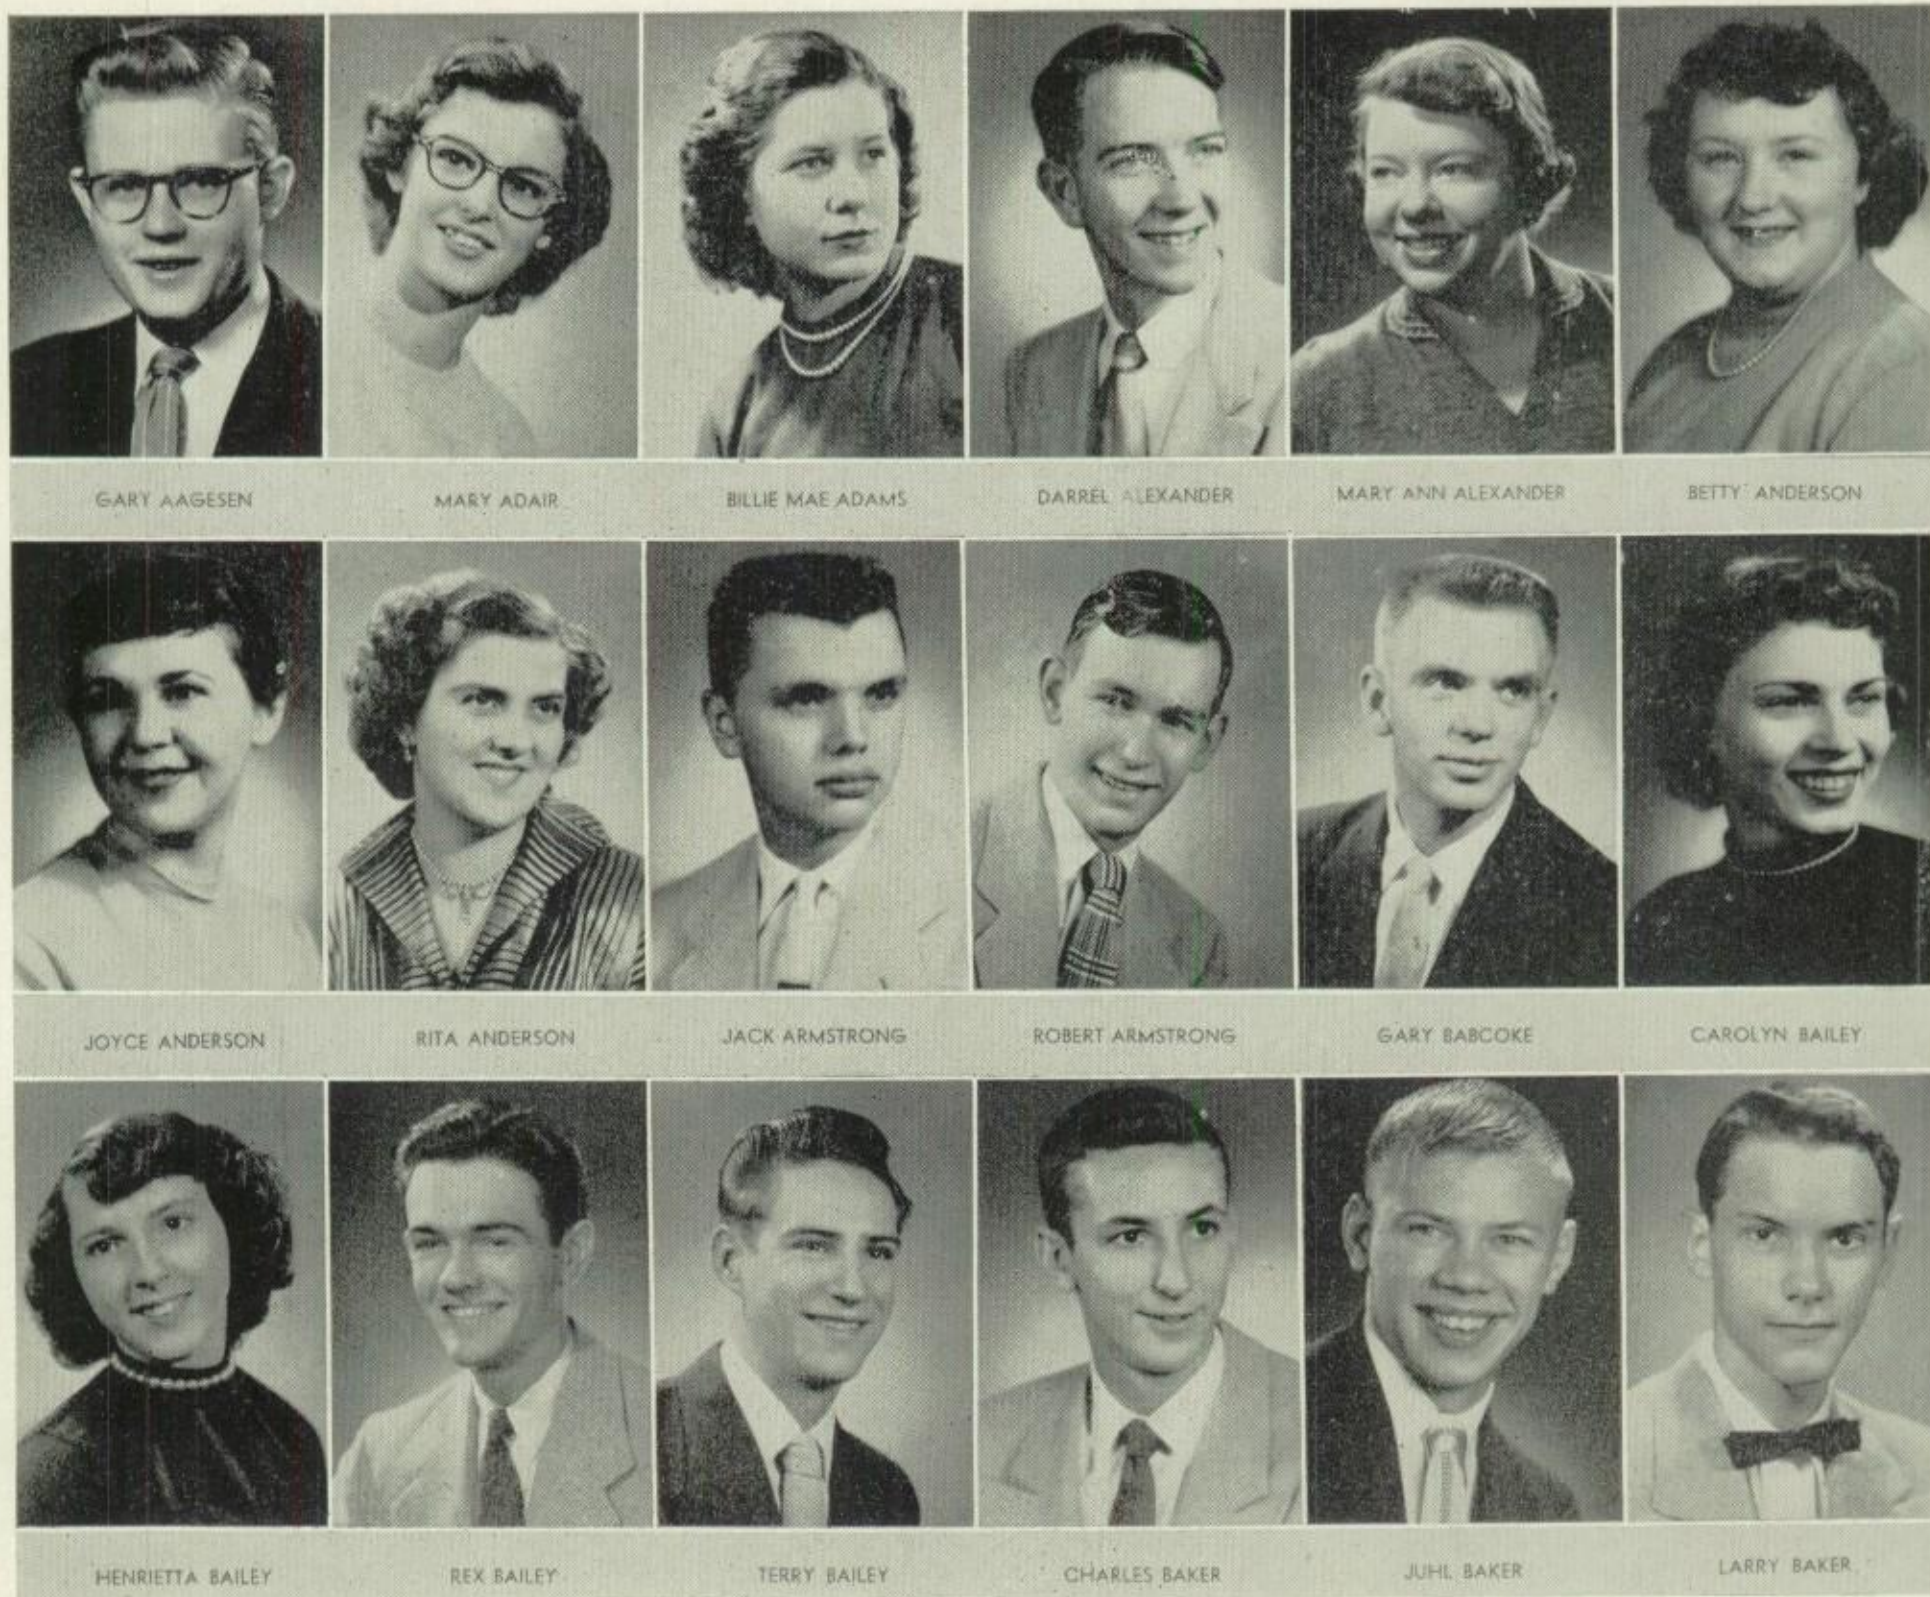

Sponsors, Executive Committee Combine Efforts For Senior Week

Aiding our class in making decisions during our four years in AHS have been Miss Campbell and Mr. Burnett. Our sponsors have work-

ed diligently with our class executive committees in selecting rings, planning the Prom and now our long awaited Senior Week.

Camera catches the class sponsors, Mr. Howard Burnett and Miss Dorothy Campbell, reading during a rare moment in their busy day's schedule.

In 1954 we seniors became the first class

JUNIORS

.... Three down and one to go; with three years of their high school career finished, the class of 1955 is beginning to look forward to the final lap before stepping out into the big, wide world. The class proved very capable of handling their affairs by doing a splendid job on their magazine campaign sales which enabled them to put on a super "Southern Serenade" for the seniors.

These future seniors may be very proud of the fine time they provided for this year's graduating class. The need for a new class sponsor arose as a result of the absence of the former sponsor. A fine choice was made with Mr. Richard Balsley being selected.

In a carriage built for two!--The class sponsors are Mr. Richard Balsley and Miss Eileen Johnson.

Juniors Exceed Goal; Better Prom Reward

Is it the fuller brush man? No, it's a member of the junior class doing his job of selling magazines for the class of '55. Lured by good salesmanship, many of the customers obtained magazines from these students who were raising money for a successful and impressive Prom. A total of \$2225.30 was collected by the students. The successful sales ability of Di-anne Achor and Tom Byrum won for them the two top awards. As a result of the effort of the juniors the "Southern Serenade" became a successful affair.

The winners!

\$30, \$60, \$100 — more to come.

Everything fair and square!—The sophmore class officers pictured are Ralph Goldsberry, president; Pat Dixon, secretary; Bill Penn, vice president; and Marianne Wise, treasurer.

SOPHOMORES

. Another nine months marked off the calendar; now, that much closer to being included in the really big activities. Proudness prevailed as the 1956 class rings arrived and were sported, once again, in the halls of Anderson High. This year the sophmore class went a little toward the unusual side and selected powder blue and white for their class colors. Class colors having been chosen, the sophies' next important job was that of choosing class jackets and sweaters. These 56'ers were very ably assisted by their new permanent sponsors, Mrs. Mary Kitterman and Mr. Clifford Swift, along with the help of their executive committee.

Sophomores Pick Rings, Jackets, Sweaters

Which one do you like?

Choosing class rings, sweaters and jackets is the officers and the executive committee. The officers, This is the responsibility of the sophomore class most important job during the sophomore year. Ralph Goldsberry, Bill Penn, Pat Dixon and Marrienne Wise, did an especially good job in picking their rings. When the big day arrives and the time comes to show off their jewelry, everyone is anxious to compare theirs with the new arrivals. Class colors being powder blue and white, the class jackets and numerals for the sweaters will be those colors.

I want a jacket. How 'bout you?

Mine is the prettiest

Sliding toward bigger things!—Freshmen class officers are Mike Maine, president; Martha Marsh, vice president; Mary Marsh, secretary; and Diana Watson, treasurer.

FRESHMEN

.... Off we go into the wild new yonder! Unscrambling the puzzle that the locker situation presents, battling the crowds on the stairs, finding the designated rooms for their classes were the adventures of the frosh. This year as an aid to the freshmen, the seniors served as senior-freshman friends and answered their questions and problems. Making up the school schedule was the freshman election. Selecting the best candidate was a difficult task, but new acquaintances were made and officers were chosen. Four temporary sponsors were chosen of which two permanent sponsors will be elected the following year.

Freshmen class sponsors are Miss Reba Arbogast, Mrs. Shirley Wirls, Mr. Claude Roney and Mr. Charles Denny.

activities

As our knowledge increases, so should our friendships and social contacts. School-sponsored clubs and organizations provide us with the means to widen our circle of friends and give us practical experience in getting along with others.

The purpose of these organizations is two-fold as the picture on the opposite page portrays. By planning dances and other social functions, clubs make our school year more colorful and enjoyable. Janice Clevenger illustrates the second, and perhaps the more important, aim—that of giving students the opportunity to develop their talents and qualities of leadership.

Choral Club . . . Spreads Harmony and Good Will

Choral Club, directed by Miss Mary Ruth Palmer, might be called the school's good will ambassadors. An out-of-town bus trip would, to a stranger, disclose many secrets about these red and green clad songsters. They would soon hear about the "Amalgamated Bases" and the "Titantic Tenors."

November 4 and 5 saw Choral Club changed into a band of gypsies, a ballet company and a military escort of royal hussars as they presented Victor Herbert's operetta, "The Fortune Teller."

This musically inclined group presents programs to many outside organizations. It is a great honor to be elected to sing in Madrigal Club. Everyday, fifth period, these twelve

crooners practice midst potato chips and pop bottles. Their manner of singing around a table is as familiar to all as their excellent vocal music.

Modern Music Masters . . . Happy Addition To the Music Department

There has been a new arrival! Anderson High School, this last year, was blessed with a new club, Modern Music Masters. This club is the 46th chapter of the national musicians' honorary. All orchestra, band and choral club members are eligible to become members upon earning the sufficient number of points. Points may be earned through participation in musical programs both inside and outside of school.

The officers of orchestra, band and choral

club were honored as being the charter members of this new organization.

Shortly after the club became organized, officers were elected. They are Frank Newman, president; Don Goacher, vice president; Susie Hollingsworth, secretary; Fred Crumbaugh, treasurer; and Sandra Highbaugh, parliamentarian. The sponsors of the group are Miss Palmer, Mr. Hurst, Mr. Rencenberger and Mr. Clem.

Senior Y-Teens . . . Dance, Fun, Service - All Seen This Year!

The belle of the ball, Miss Sandra Highbaugh, will long be remembered by all Y-Teens. The Silver Bell Dance was the main social event sponsored by the combined Y-Teen groups.

Looking back over the past year's activities, one can see that service work is the theme of this organization. In October they entertained the children at the orphans' home with a Halloween party. During November they delivered a basket full of food to a needy family.

Although this is only their first year, these frosh gals came through with active and purposeful sessions.

Various programs during the year constituted an important part of frosh activities. Visitors presented talks on "Facial Care" and "Hair Styling" and a debate of teenage problems proved beneficial to all.

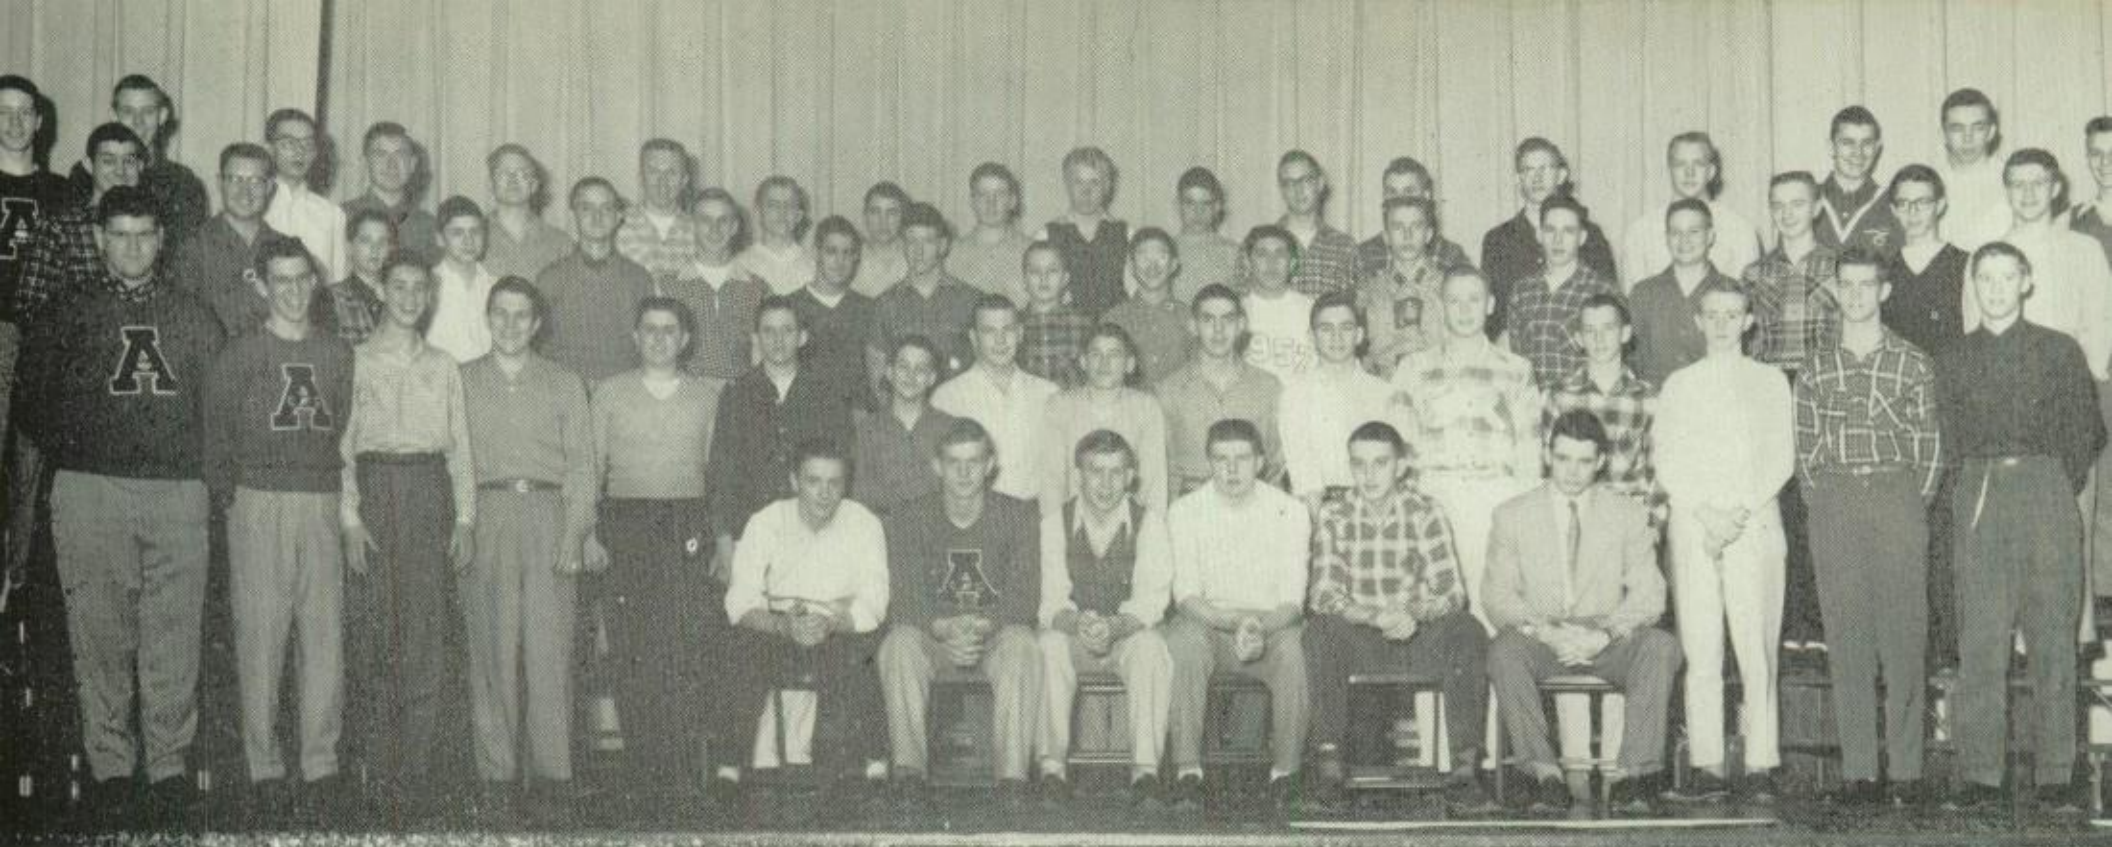

A hayride in the fall served as a get-aquaint-

ed meeting for all members. A sock-hop concluded the group's plans.

At one of their first meetings, the new group of Y-Teenagers chose their officers who were to lead them through their first year with the YWCA. The officers chosen were Sue Ackerman, president; Myrna Nuzum, vice president; Beverly Ross, secretary; and Betsey Barnes, treasurer. The frosh are now on the threshold of Y-Teen fellowship

Torch Club . . . Hi-Y's Little Brothers Prove Themselves Worthy

Easter lilies and a beautiful Sabbath morn provided impressive setting for Sunrise Service. Those planning the program were J. Fleece, chaplain; R. Goldsberry, president; Rev. W. D. Oldham; A. Egley, Y. M. C. A. sponsor; P. Gray, sergeant-at-arms; and Don McCarty.

The underclass boys really don't have it so bad. The Torch Club provides them a wonderful opportunity for fun and work. The Torch Club members have had an outstanding year and have proved themselves worthy of their name.

Many Andersonians have taken part in and enjoyed the annual Sunrise Services sponsored by Torch Club on Easter Morning. This year Reverend Dale Oldham of the Park Place Church of God was the speaker at the service held in Shadyside Park. The club's work was led by Ralph Goldsberry, president; Dean Richards, vice president; Bill Penn, secretary and treasurer; Paul Gray, sergeant-at-arms; Jim Fleece, chaplain.

Programs during the year provided all members a variety of interest. Some of the guest speakers were Marvin Lowe, Koshe Phillips and Fred Casady.

Hi-Y . . . Big Brothers, Too, Had An Outstanding Year Of Activities

As in the past years, Hi-Y was again a leader in many school social events. They are noted for their participation in worthy projects for the community.

Not even Mr. Winter in all his fury could dampen these boys' spirits as they stood outside for hours collecting money for the needy children. The "Line of Dimes" was their most worthwhile effort and nearly everyone participated.

The Hi-Y Basketball League was both recreational and a lesson in sportsmanship. It held the interest of members as well as that of many outsiders. Dave Brown's team won over the other teams of the league.

SANTA'S LITTLE HELPERS: Jim Buxton, chaplain; David Wellington, secretary; Bill Bell, sergeant-at-arms; Dan Coble, parliamentarian; Lowell Stewart, president; Bruce Partner, vice president.

"The motion has been made and seconded" is a familiar sound in room 207 during that fourth period. This is our school's form of democracy at work. We are all represented in this organization by members chosen from each homeroom. They bring about improvements and activities which could not be accomplished without this representative group.

This year they sponsored the annual school's homecoming parade and dance, over which Kay Collings reigned as queen, the Fall Wind-Up Dance that climaxed football season and the "Singing Hoosiers" from Indiana University. Not only does Student Council sponsor good times as the ones mentioned above, but they, too, conduct service campaigns. During Christmas, toys were collected from each homeroom and given to orphan children.

An impressive candlelight ceremony initiated new members.

Honor Society . . . Brains Plus!

Honor Society's pledge represents the high ideals of any good citizen as well as those of a good student.

The candlelight initiation service inducted juniors and seniors who had obtained a high average.

Among the year's activities was a contest among the boys for the best cookies.

OFFICERS (Right) Maxine Ross, secretary; Lyle Crouse, president; John Stoelting, vice president; Sandra Kemp, treasurer.

The lights dim, a bright spot floods center stage and a small figure appears--jumping, twirling, running! Once again the tradition of Bookmark comes to life. The character of Bookmark originated two years ago with the children's play and shall continue as long as Thespian presents the children's play.

First semester officers were Dave Wellington, president; John Stoelting, vice president; Carolyn Schofield, secretary; and Maxine Ross, treasurer. The second semester officers were John Stoelting, president; Janet Howard, vice president; Sara Stewart, secretary; and Sandra Kemp, treasurer.

Future Teachers Of America . . . Look Forward To School After School

The Future Teachers Club not only enlightens students on the teaching profession but also on other vocations. The purpose of the club is

to inform on the various jobs.

A bus trip to Ball state and a joint meeting with Muncie Burris were the main events.

FUTURE TEACHERS: ROW I—S. Kemp (vice president), K. McCullough (secretary), J. Swetnam (president), J. Huntzinger (treasurer), M. Antonidis (parliamentarian), N. Sharp (librarian), V. Graves. An able demonstration of window decorating was given by the club officers: N. Jones, secretary; L. McKay, president; J. East, vice president; D. Stanger, treasurer.

"May I help you, sir?....Yes, this shirt is washable and colorfast...."

The Future Retailers often engage in such one-sided conversations as they meet the public over the store counters. Many of them have part-time jobs where the theories that they learn in school are combined with practical experience.

These students who will be the sales ladies and the salesmen of tomorrow were hosts to the Seventh State Convention of the Distributive Education Clubs of Indiana.

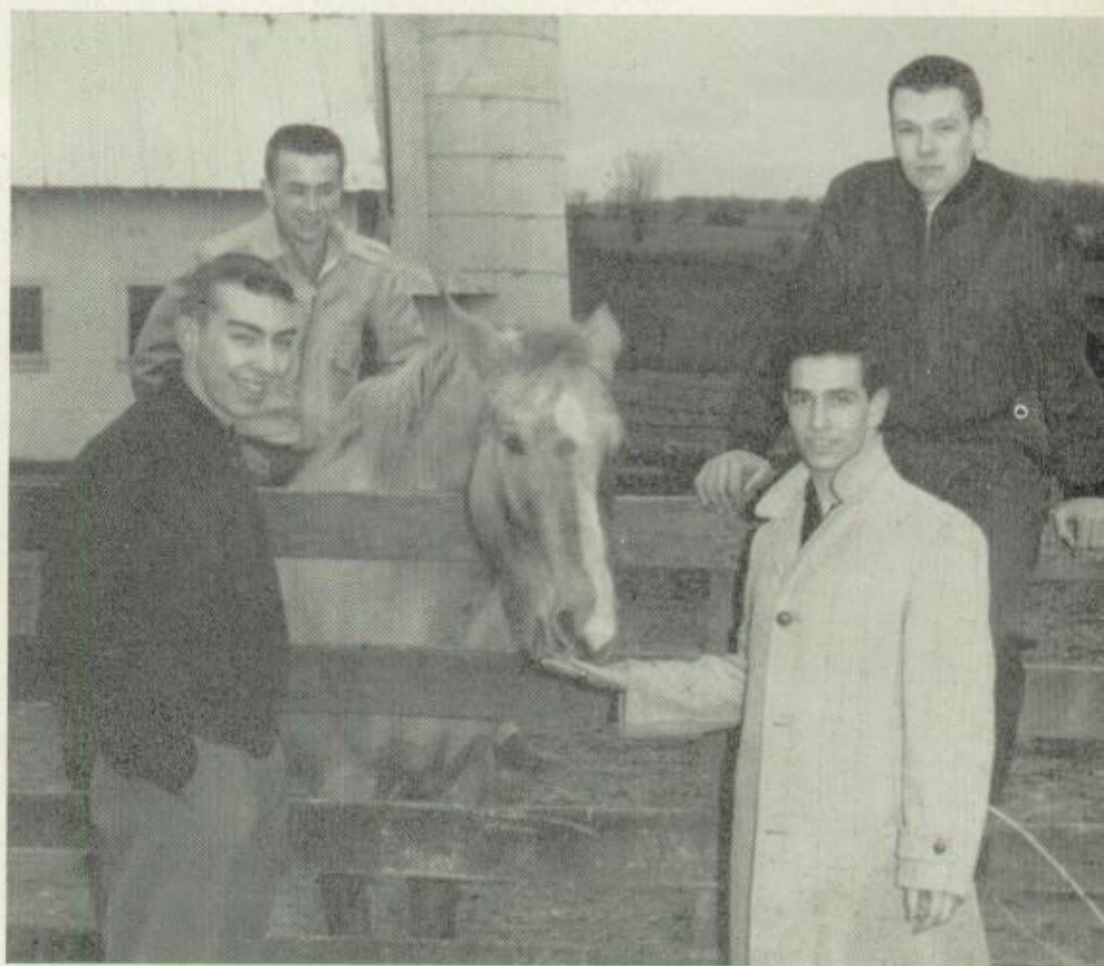

This was only the third year this club has participated in the convention. A banquet and dance were part of the activities at the convention. Several contests in sales demonstrations and window designing were also held.

Future Farmers . . . The A B C's Of Farming Sugar-coated With Fun

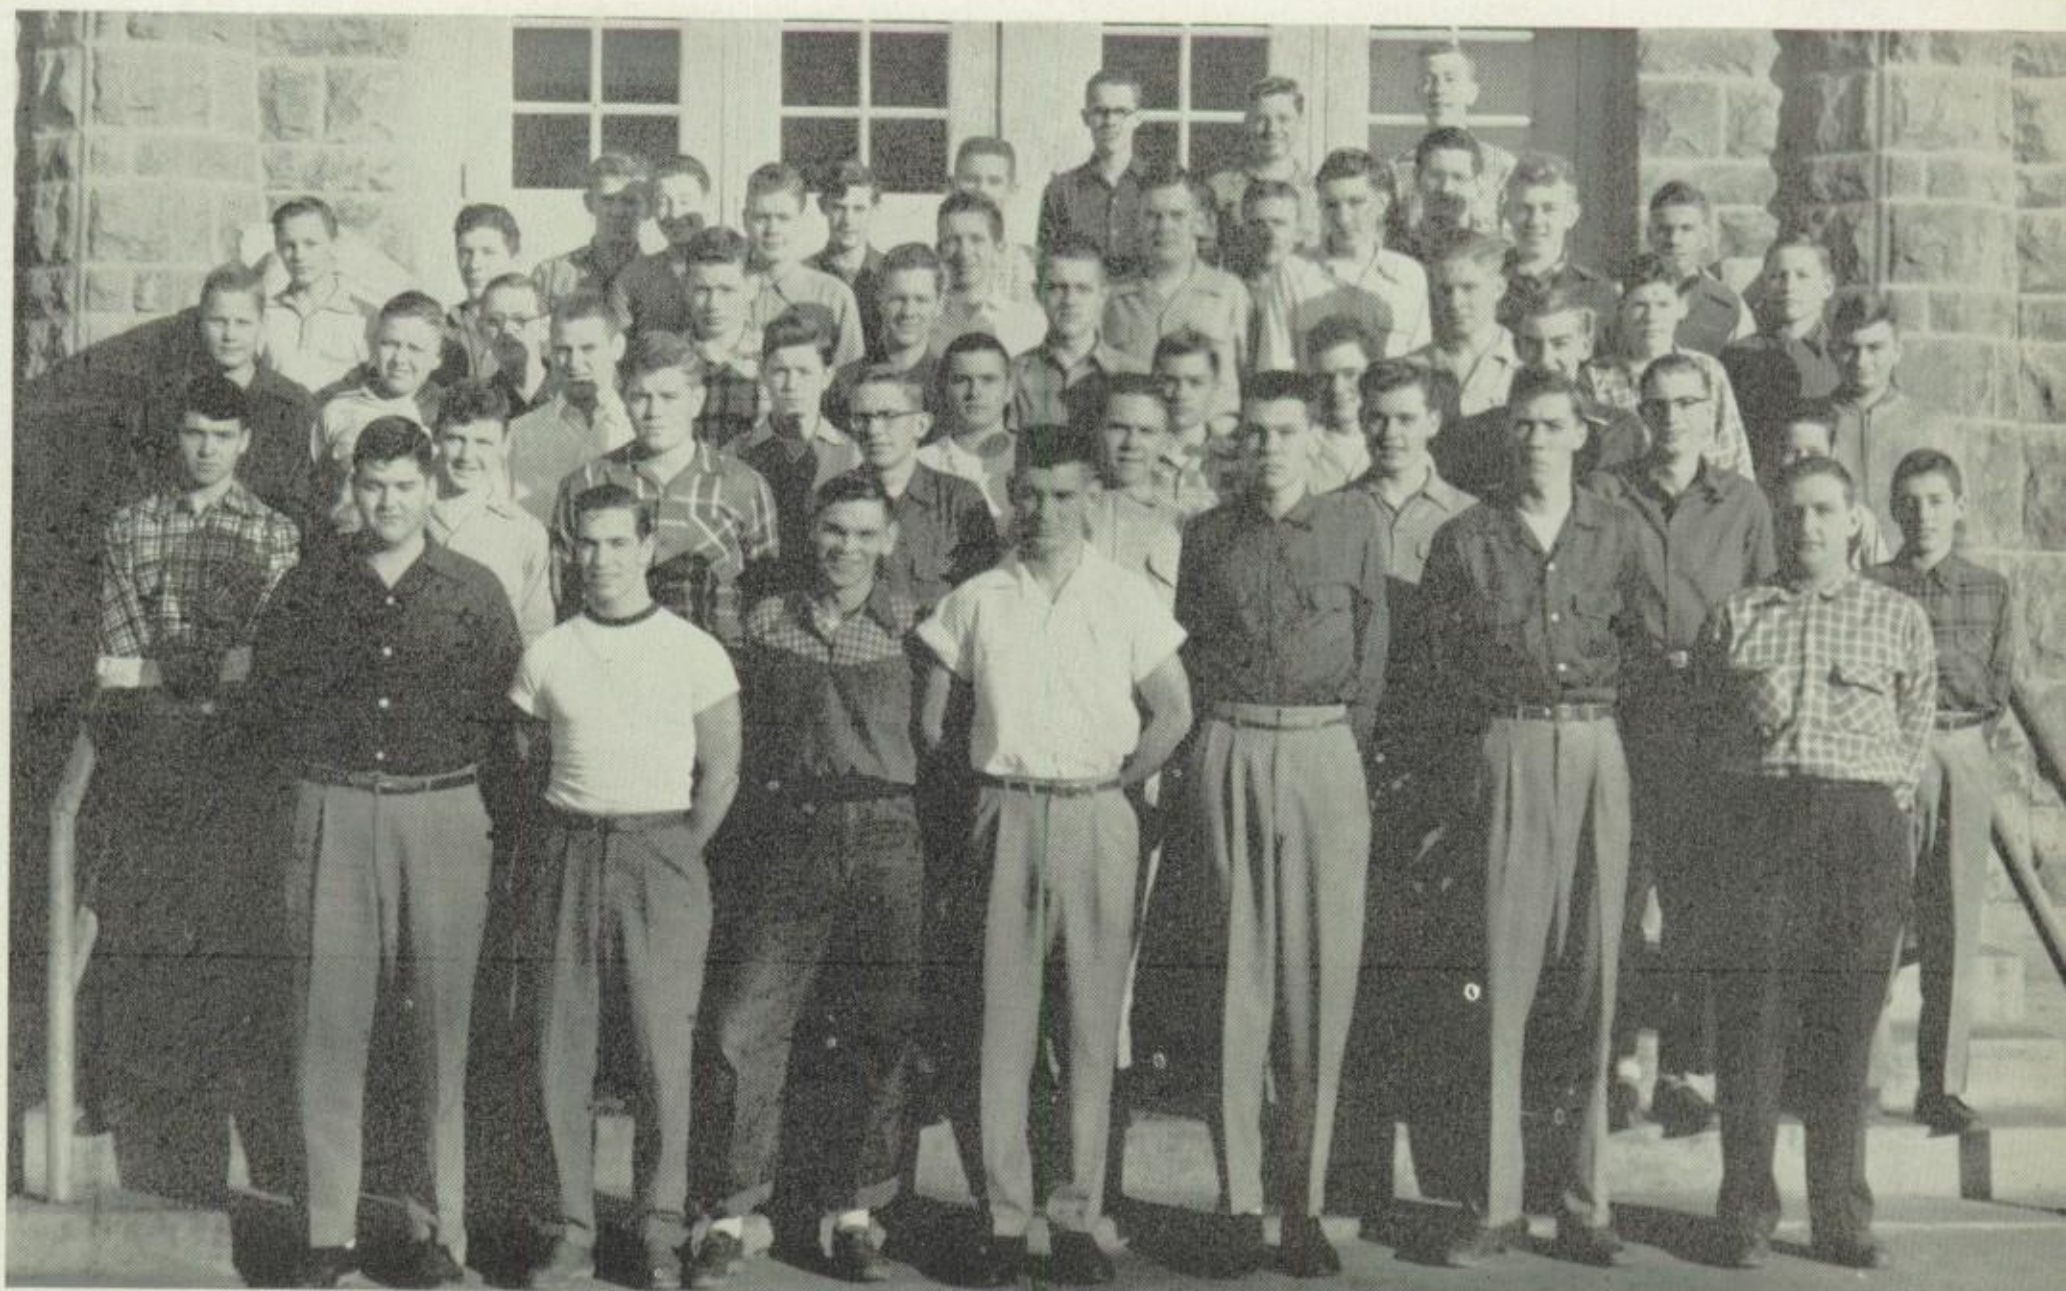

The Future Farmers of America Club was organized back in 1928. Seven years later Anderson became the fifty-first chapter in Indiana.

The F.F.A. has livestock and poultry judging teams that compete with other schools annually. Some of the various activities held each year are skating parties, square dances and a chili supper. The club also sponsors a trip to Chicago every other year. So you see that it is not all work and no play for these boys. Their basketball team has set a fine record while playing other schools.

Most of the members have projects which take up a lot of time. One member even tried sowing wheat last year with an airplane.

"Golden Linda" meets officers . . . Jim Waymire, vice president; Dale Lechlitner, president; Jerry Swinford, secretary; Myron Brown, treasurer.

Their yearly activities include the March initiation of new members, selling pictures of both the basketball and football teams and promoting scholarship and sportsmanship.

There are between fifty and sixty boys who have the honor of belonging to A-Club. These boys are easily recognized by the red and green A sweaters which they wear, much to the delight of adoring females.

athletics

We as students spend many years improving and developing our minds for the future. Physical development should also play an important role in our lives if we are to work toward that perfect combination of a well-trained mind and a sturdy body.

Any participation in an athletic program serves as a training field for the game of life in the years that lie ahead. The rigid requirements of training, the joys and heartaches of winning and losing and the cooperation of teamwork are not mere words to an athlete but an actual part of his life.

Athletics is just like a career; it takes hard work and determination to be successful, as the golfers on the opposite page will readily testify. Bill Harless agrees, however, that it was worth the sacrifice as he receives the Tennis Club award.

This Year's Braves Faced Toughest Road In School's History

Coach Jim Carter's stalwarts experienced a rough and tumble season last fall. The red and green clad Braves faced the toughest schedule in the school's history. After the smoke of the season's strife cleared, the Redskins had attained a 3 won, 6 lost record.

The Tribe opened the schedule by entertaining Indianapolis Cathedral, winner of 18 consecutive games. The Tribesmen led in the early stages of the game only to fall behind later in the fray. The Irish won out, 22-13.

Next to challenge Coach Carter's young and determined aspirants were Richmond's powerful Red Devils. Coach Bill Elias' eleven, winner of 22 consecutive battles, were mythical state

football champions in 1952. Fleet Tommy Fletcher, eventually the state's leading prep scorer, scored three touchdowns as the marauding Red Devils outpointed the Braves, 21-12.

Tech's Greenclads fought back from a half-time deficit to overpower the Braves, 33-14. The squad, playing without the services of several of its regulars, tried valiantly to combat the heavier opponents but finally succumbed to the more-experienced Tech team.

Homecoming proved to be a profitable experience for the Redskins as they scalped Marion's Giants, 27-13. The game was noted for its broken-field running and down-field blocking.

Lafayette's Bronchos ran wild at the Tribe's expense as they trimmed the Indians, 46-21. The Braves proved no match for the experienced and heavier Jeff eleven.

Falling behind three touchdowns early in the game, the Redskins fought a hard uphill battle against Logansport's Berries, only to fall short, 26-20. The Tribe lost their fourth one-touchdown decision of the season to Howe's Hornets in a Dad's Day encounter. The Indians fell behind late in the fourth quarter as Howe put on a late rally.

Elwood's Panthers felt the brunt of an Indian uprising as the Braves literally ran wild in a 37-6 pasting of the Madison County eleven. Coach Carter used three strings in the encounter.

Row I—K. Smith, D. Barnett, B. Ameredes, C. Byfield. Row II—J. Carter.

"It takes a heap of practice to make a squad a team."

Amid Floats And Pageantry, Tribe Won Homecoming Game

The Braves continued their uprising as they conquered Kokomo's tame Wildcats, 27-14. The game was highlighted by substitute Dick Stoner running a 42-yard touchdown in his only carry of a four-year football career.

Gene Bennett and Ray Minton, both members of the varsity for three years, were elected honorary co-captains at the conclusion of the recent campaign.

Coach Carter will be faced with the difficult task of filling the shoes of fourteen seniors. These boys have worked together for four years and will be sorely missed next season. Those playing their last high school game are Lyle Crouse, Roger Hardacre, Gene Bennett, Don Smith, Ray Minton, Bill Gray and Ken Hunt. Others are Joe Tipton, Don Vance, Dave Couch, Dick Dean, Mark Erehart, Dick Stoner and Jess Etchison. Bennett and Minton, both members of the varsity for three years were elected honorary co-captains at the conclusion of the recent campaign.

Assisting Coach Carter with the handling of the team were four extremely competent coaches. Carter Byfield worked with the backfield and also handled the reserve team. Kenneth Smith did his best to develop a strong and quick-moving line. Coaches Don Barnett and Bill Ameredes aided the varsity, but their chief duty was the developing of a strong freshmen squad.

Reserves Gain Plenty Of Experience Despite Winning Only One

The Indian reserves, guided by Coach Carter Byfield, managed to win one, tie one and lose six contests during the season's campaign. The boys had the mental qualities of a good team, but they were hampered by a lack of physical prowess. Nevertheless, the reserve team members gained valuable experience for next season's varsity.

The Papooses opened the season with a 26-19 reversal at the hands of Marion's young Giants. The local lads "ran out of gas" in the fourth quarter. The next game on the schedule proved to be the outstanding one as season re-

cords go. The little Indians scalped the Tech Greenies, 14-6.

The remainder of the schedult proved fruitless. New Castle's Colts shut out the Redskins, 6-0, for their second loss. Traveling to Muncie, the reserves were tromped, 26-6. In a rough and tumble game, the reserves battled Lafayette Jeff to a 6-6 deadlock. Marion's Giants again trounced the reserves, 32-0.

Showing signs of improvement, the Papooses fought Muncie Central bravely before succumbing to the Bearkittens, 13-6. New Castle again defeated the reserves, this time in the season finale, 27-6.

Future Braves Display Power As As They Win Six Of Eight Tilts

The Anderson football picture appears to be extremely bright for the oncoming seasons. The freshman squad won six of eight football games this season. Coaches Bill Ameredes and Don Barnett were greatly impressed by the turnout last fall. Some of the boys exhibited signs of potential ability in the rough and tumble sport. As a whole, the squad was large, as freshman teams go.

This season's frosh squad showed a tremendous scoring punch, backed up by a formidable line. The heavier boys proved to be good blockers as well as good tacklers.

Facing Marion in the season opener, the Rhinies slaughtered the Little Giants, 32-0. Elwood's young Panthers stopped the freshies in their tracks as they ground out a 13-6 triumph over the local boys.

Returning to the winning side of the ledger, the squad blanked New Castle, 19-0. Muncie Wilson provided the freshmen with their third victory, a 20-6 encounter. Lafayette then threw a monkey wrench into the high-g geared machinery as they held the Braves scoreless, the only fruitless attempt by the team.

Marion's Giants again fell prey to the Indians as they dropped the Grant County eleven, 19-0. Seeking revenge for an early season defeat, the squad prepared diligently for the second Elwood fracas. The hard work paid off as the scoreboard read: A.H.S. 19, Elwood 0. Continuing their winning ways, the Redskins dropped New Castle's Trojans for the second time, 13-6.

Head Coach Jim Carter will have a good group of sophomores coming up next year. It appears as if the football era of A.H.S. is fast approaching. Coach Ameredes summed up the season at the awards convo with the following statement: "...the opportunity to play is more important than the record."

Cross Country Team Gains Good Record Despite Slow Start

The Anderson High School cross country team never quite got started this fall and finish-the season with four wins as compared to three losses. However, the Tribe managed to annex the Marion Invitational crown.

The Indians started the season with two stunning setbacks at the hands of Marion and Indianapolis Tech. The Marion loss was the first defeat of an Anderson cross country team since 1951.

Coach Carl Bonge and Assistant Coach Ray Fleenor.

After many evenings of hard work and strenuous running, Coach Carl Bonge finally got his harriers back on their habitual winning ways. The Tribe won consecutive victories over Indianapolis Howe, Muncie Burris, Richmond and Muncie Central.

In the N.C.C. meet, Anderson failed to win the conference diadem for the first time since the conference inaugurated the meet six years ago.

Billy Jones proved to be the individual stand out of the season. Jones won the N.C.C. and Sectional titles. At the conclusion of the season, Jones was honored by his teammates by being elected captain of the squad.

Failing to retain their state championship crown in cross country did not, however, take the fighting spirit out of the harriers. The team members knew from the offset that the road would be rough. Taking this attitude, the Redskins proceeded to build a formidable team, of which every member strived for the same goal—the retainment of the state cross country diadem. Although the boys failed in this quest, it should be known that every Brave runner did his best to make the dream a reality.

Harriers Fail To Regain State Diadem

Not all is gloomy in Anderson cross country. The reserves racked up six victories against only one defeat while the freshmen squad went undefeated through five meets.

The reserves ran very well this season. They turned in impressive victories over Marion, Indianapolis Tech, Indianapolis Howe, Muncie Burris, Richmond and Shortridge. The squad will be around next year to bolster the five returning lettermen--Jim Quinn, Brad Rayl, Dean Richards, James Hogg and Gary Wilde.

Coach Carl Bonge's freshman harriers stopped five opponents without a defeat. They won races with Indianapolis Tech, Muncie Burris, Richmond, Muncie Central and Shortridge. These lads will certainly help return Anderson to the heights of high school cross country.

For the first time in eight years, Anderson High School was not represented in the state meet. The local stalwarts failed to qualify in the Sectional.

Inexperienced Redskins Have Spasmodic Season; Win 13 Of 23

Starting with only one returning starter from the last season, this year's version of the Indians managed to build themselves into a winning combination. As the season came to a climax, the Braves had annexed 13 of 23 encounters.

The Tribe opened the season with a sound 68-55 pasting of Greenfield. Del Sanders scored 24 points and was ably assisted by Jim Leverette's 14 markers.

Entering N.C.C. competition, the Braves completely outclassed a weak New Castle aggregation, 62-47. The Redskins revealed a balanced scoring attack with Leverette scoring 15, Bill Harless 13, Bob Benefiel 13, Sanders 9 and Bill Jones 8.

Next to fall at hands of the marauding Indians were Marion's hapless Giants, 60-37. Coach Woody Wier's quintet failed to subdue the Tribe's uprising as Leverette dropped in 18 counters, aided by Sanders' 11.

The previously glorious road suddenly took a turn for the worse as the Braves dropped three straight encounters. First to halt Coach Hank Potter's inexperienced stalwarts was Fort Wayne Central, 66-54. Next to defeat the Ind-

ians were the Bronchos of Lafayette Jefferson by the score of 53-45. The Muncie Bearcats handed the Braves their third defeat, 60-47, despite a determined drive on the Indians' part.

The Marion Giants again fell to the Redskins, 47-42, in a slow, deliberate game. Andre Streaty paced the Braves with 11 points. Traveling to the Ohio River, the Tribe subdued a tough New Albany quintet, 62-58, behind the 19-point effort of Sanders.

Entering the Big Four with a 5-3 record, Coach Potters lads lost to a battling New Castle squad, 62-54. Apparently recovered from the afternoon loss, the Braves outclassed a favored Kokomo quintet in the consolation game, 76-52.

Next to fell the pangs of defeat at the hands of the Redskins were Shelbyville's Golden Bears. The Tribesmen led throughout in a 48-36 victory. Again the Tribe slipped into a slump losing five straight fracas. Indianapolis Tech, Muncie Central, Lawrenceburg, Frankfort and Kokomo added to their win column at the Braves' expense.

Shooting a brilliant .467 from the field, the Redskins snapped their losing streak by defeat-

ing the 1953 State Champions, South Bend Central, 63-57. Logansport's well-regarded Berries were the next victims of the fast-improving Indians, 61-45.

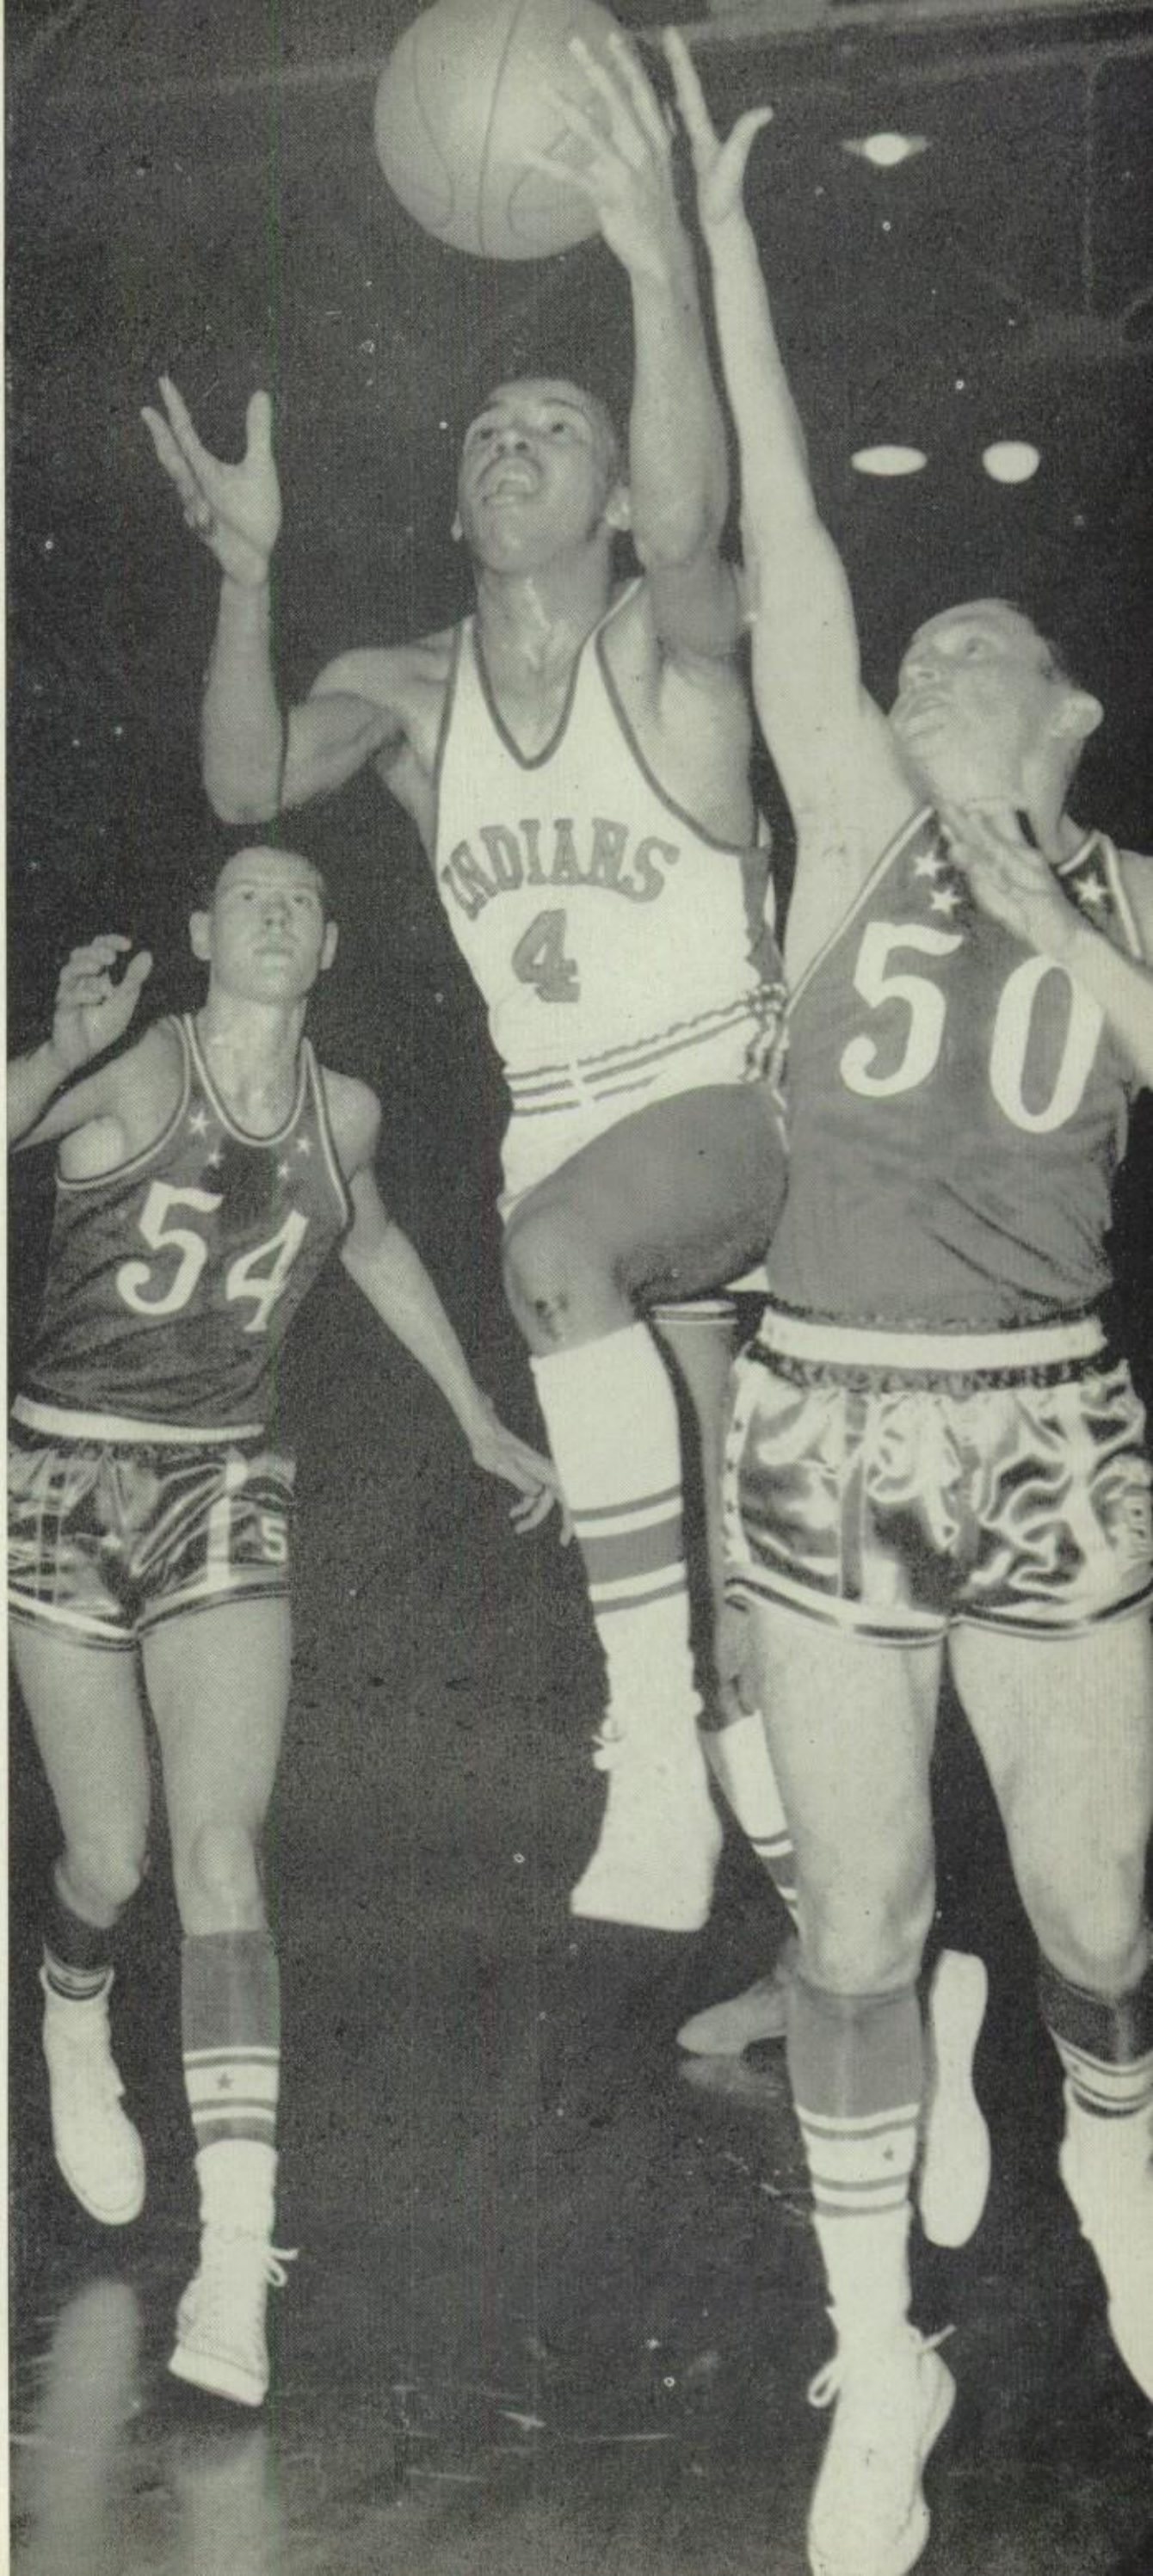

Raising themselves above the .500 for the season, the Tribe defeated New Castle for the second time, 51-40. The Braves conquered a taller Richmond quintet, 65-58, to finish the season with a 6-6 N.C.C. record.

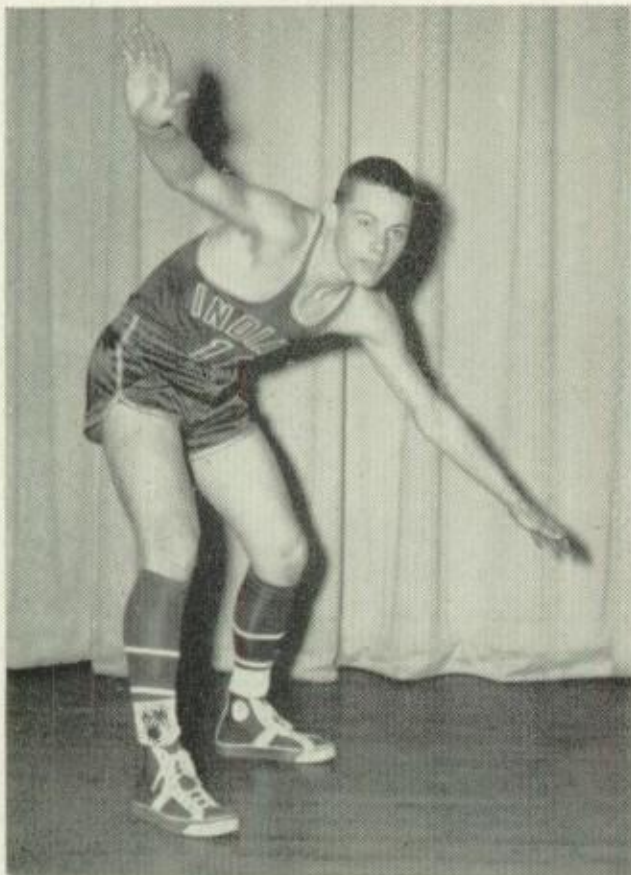

Elwood C.I.C. Champion and winner of 18 of 20 season games, offered the Tribe their first tourney competition in the Sectional. After 32 minutes of excellent play on the part of both squads, the Indians won out, 55-52. The Tribe defeated Lapel, 52-36, before falling to a much-improved Alexandria five, 65-52, in the final game.

Although the Braves failed to carry the Red and Green banners on to the Butler Fieldhouse, they did play their hearts out for the students of the high school. The boys made up for a lack of height with swiftness a-foot. The shorter Tribe consistently stole the ball from their taller opponents. Many times these ball-hawkers turned these plays into Indian baskets.

At the conclusion of the campaign, Bill Jones, senior guard, was honored by his teammates by being elected captain. Jones, along with Don Smith, Andre Streaty, Bob Benefiel and Bill Harless, will be lost by graduation this spring. Returning to form the nucleus for next season's quintet will be Del Sanders, Jim Leverette, Larry DeHORITY, Nyles Anson and Al Woods.

"Goose" Streaty scores again!

Indians Sometimes Look Superb

Don Smith played some great ball during the season. Smith "found himself" at the Big Four, scoring 13 markers against Kokomo.

Andre Streaty was one of the Tribe's leading scorers, ranking third in this department. "Andy" will be remembered for his sensational underhand lay-ups.

Delano Sanders ended the season with the team's leading scoring average. Del suffered a serious knee injury in the closing weeks of the season, slowing him up at tourney time.

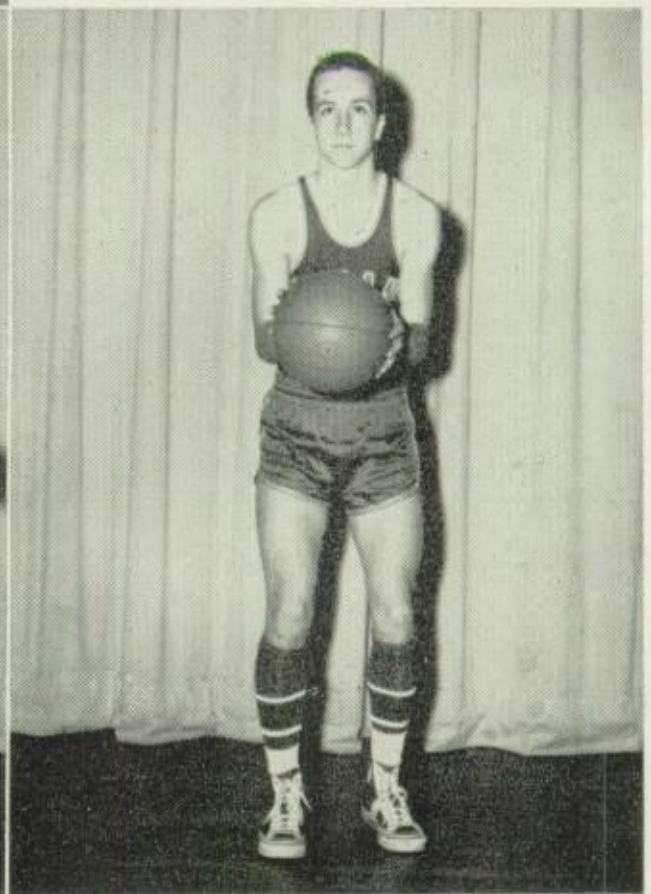

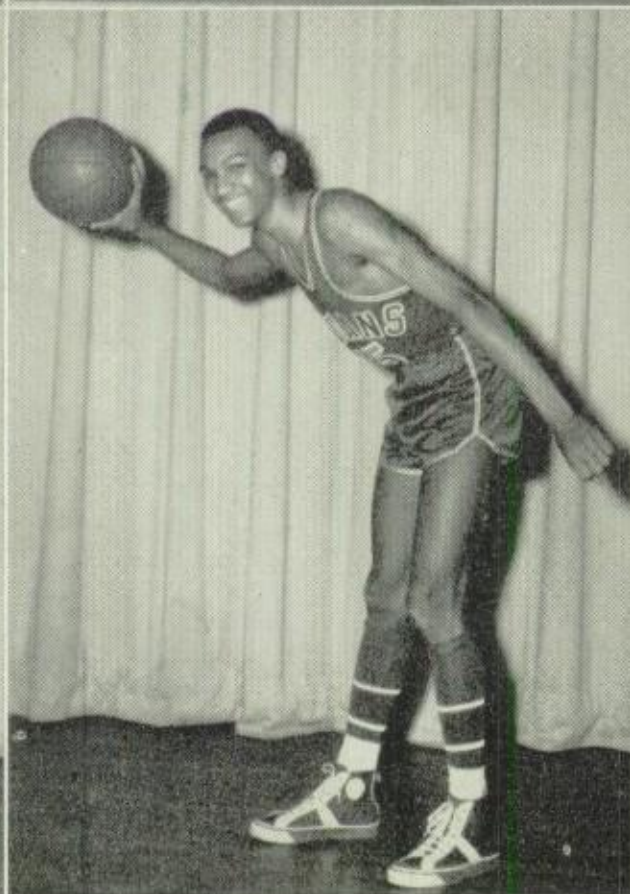

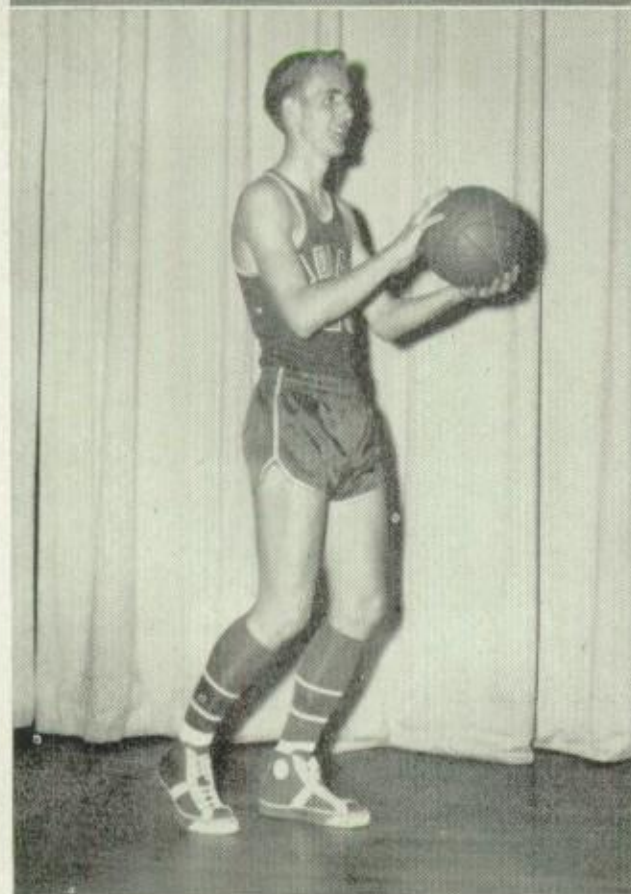

One of the team's leading substitutes was Bill Harless. Bill played several outstanding games.

Larry DeHority, junior guard, gave the team a polished look with his adept ball handling and dribbling. Against Kokomo Larry tossed in 16 markers.

At Other Times They Lack Poise

The honorary captain, Bill Jones, was an extremely valuable man for the Braves. Bill began to hit his set shots frequently towards the end of the season.

Jim Leverette led the team in total points. One of Jim's outstanding games was the Logansport game in which he intercepted passes with cat-like agility.

Another outstanding substitute was Nyles Anson. Nyles filled in quite handily on several occasions, scoring in the double digits twice.

Al Woods played many great minutes of ball. Woods is a good ball hawk and is exceedingly fast afoot.

Bob Benefiel will be remembered for his unusual jumping ability. Although not too tall, he consistently outjumped much taller foes.

Papooses Have Chance To Show Talents And Gain Experience

Coach Carter Byfield's Papooses played a very spasmodic season last winter. They won their opening game from Greenfield, 40-38, and then lost six straight games. They broke their

losing skein by dropping New Castle, 39-38, in the Muncie Invitational Tourney. They lost the title game to Muncie, 45-38.

Future Redskins Have Brilliant Season; Win 15 Of 18 Contests

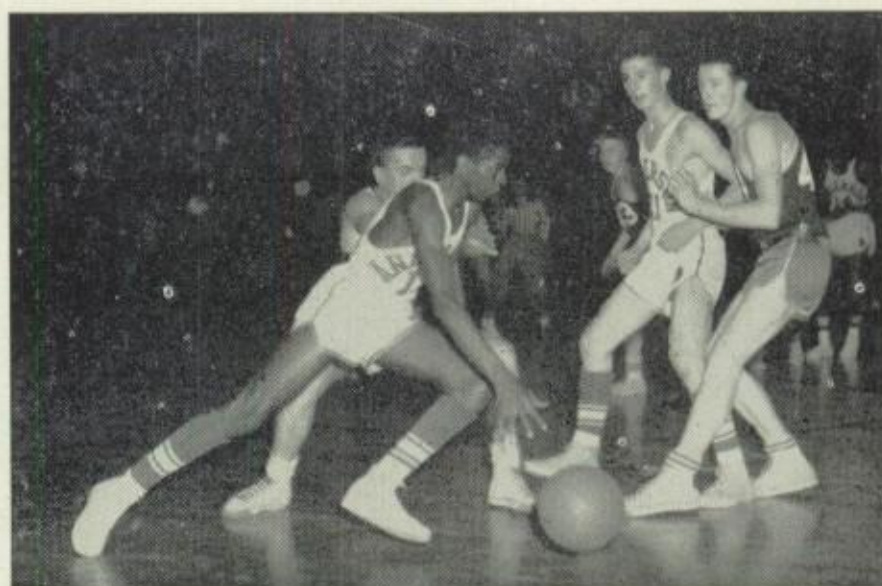

This year's freshman squad had one of the best seasons ever achieved at A.H.S. The frosh won 15 of 18 contests, quite an enviable record for any freshman team. The team was big, fast and willing to play. Coaches Don Barnett and Bill Ameredes built the team into a very formidable machine.

One of the highlights of the season was the annexation of the Muncie Tournament. They defeated Muncie McKinley, 43-22, for the title. The three defeats came at the hands of New Castle, 30-25, Muncie Wilson, 43-40, and Muncie McKinley, 40-38.

Although the team had several tall boys, many shorter boys were used to take advantage of their speed. In conclusion, the future looks fairly bright for AHS basketball.

Grapplers Work Hard And Represents School Well On Mats

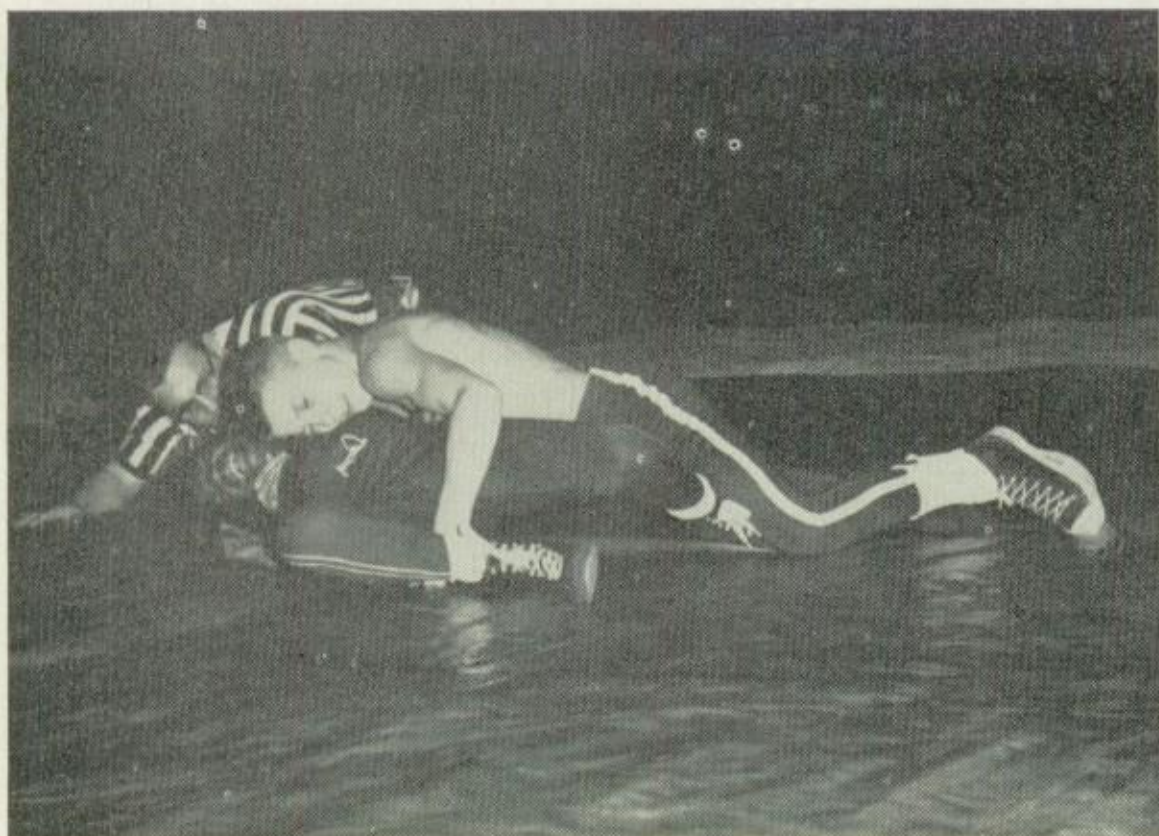

Coach Joseph Sparks' Indian matmen won four of ten meets this past season. The grapplers worked hard all season and represented our school well. Wrestling, a comparatively new sport at AHS, is creating more and more interest each year.

Hardacre and Tipton represented AHS in the state finals. Tipton lost to Bill Edwards of Southport, the state 175-pound champion.

The Indians' 13 points gave them a sixth place in the North Central Conference tourney at Kokomo, won by Tech with 57 points. Don Smith led the scoring with a second place in

the 165-pound class. Others placing were Norris, Hardacre, Beauchamp, Bowser and Tipton.

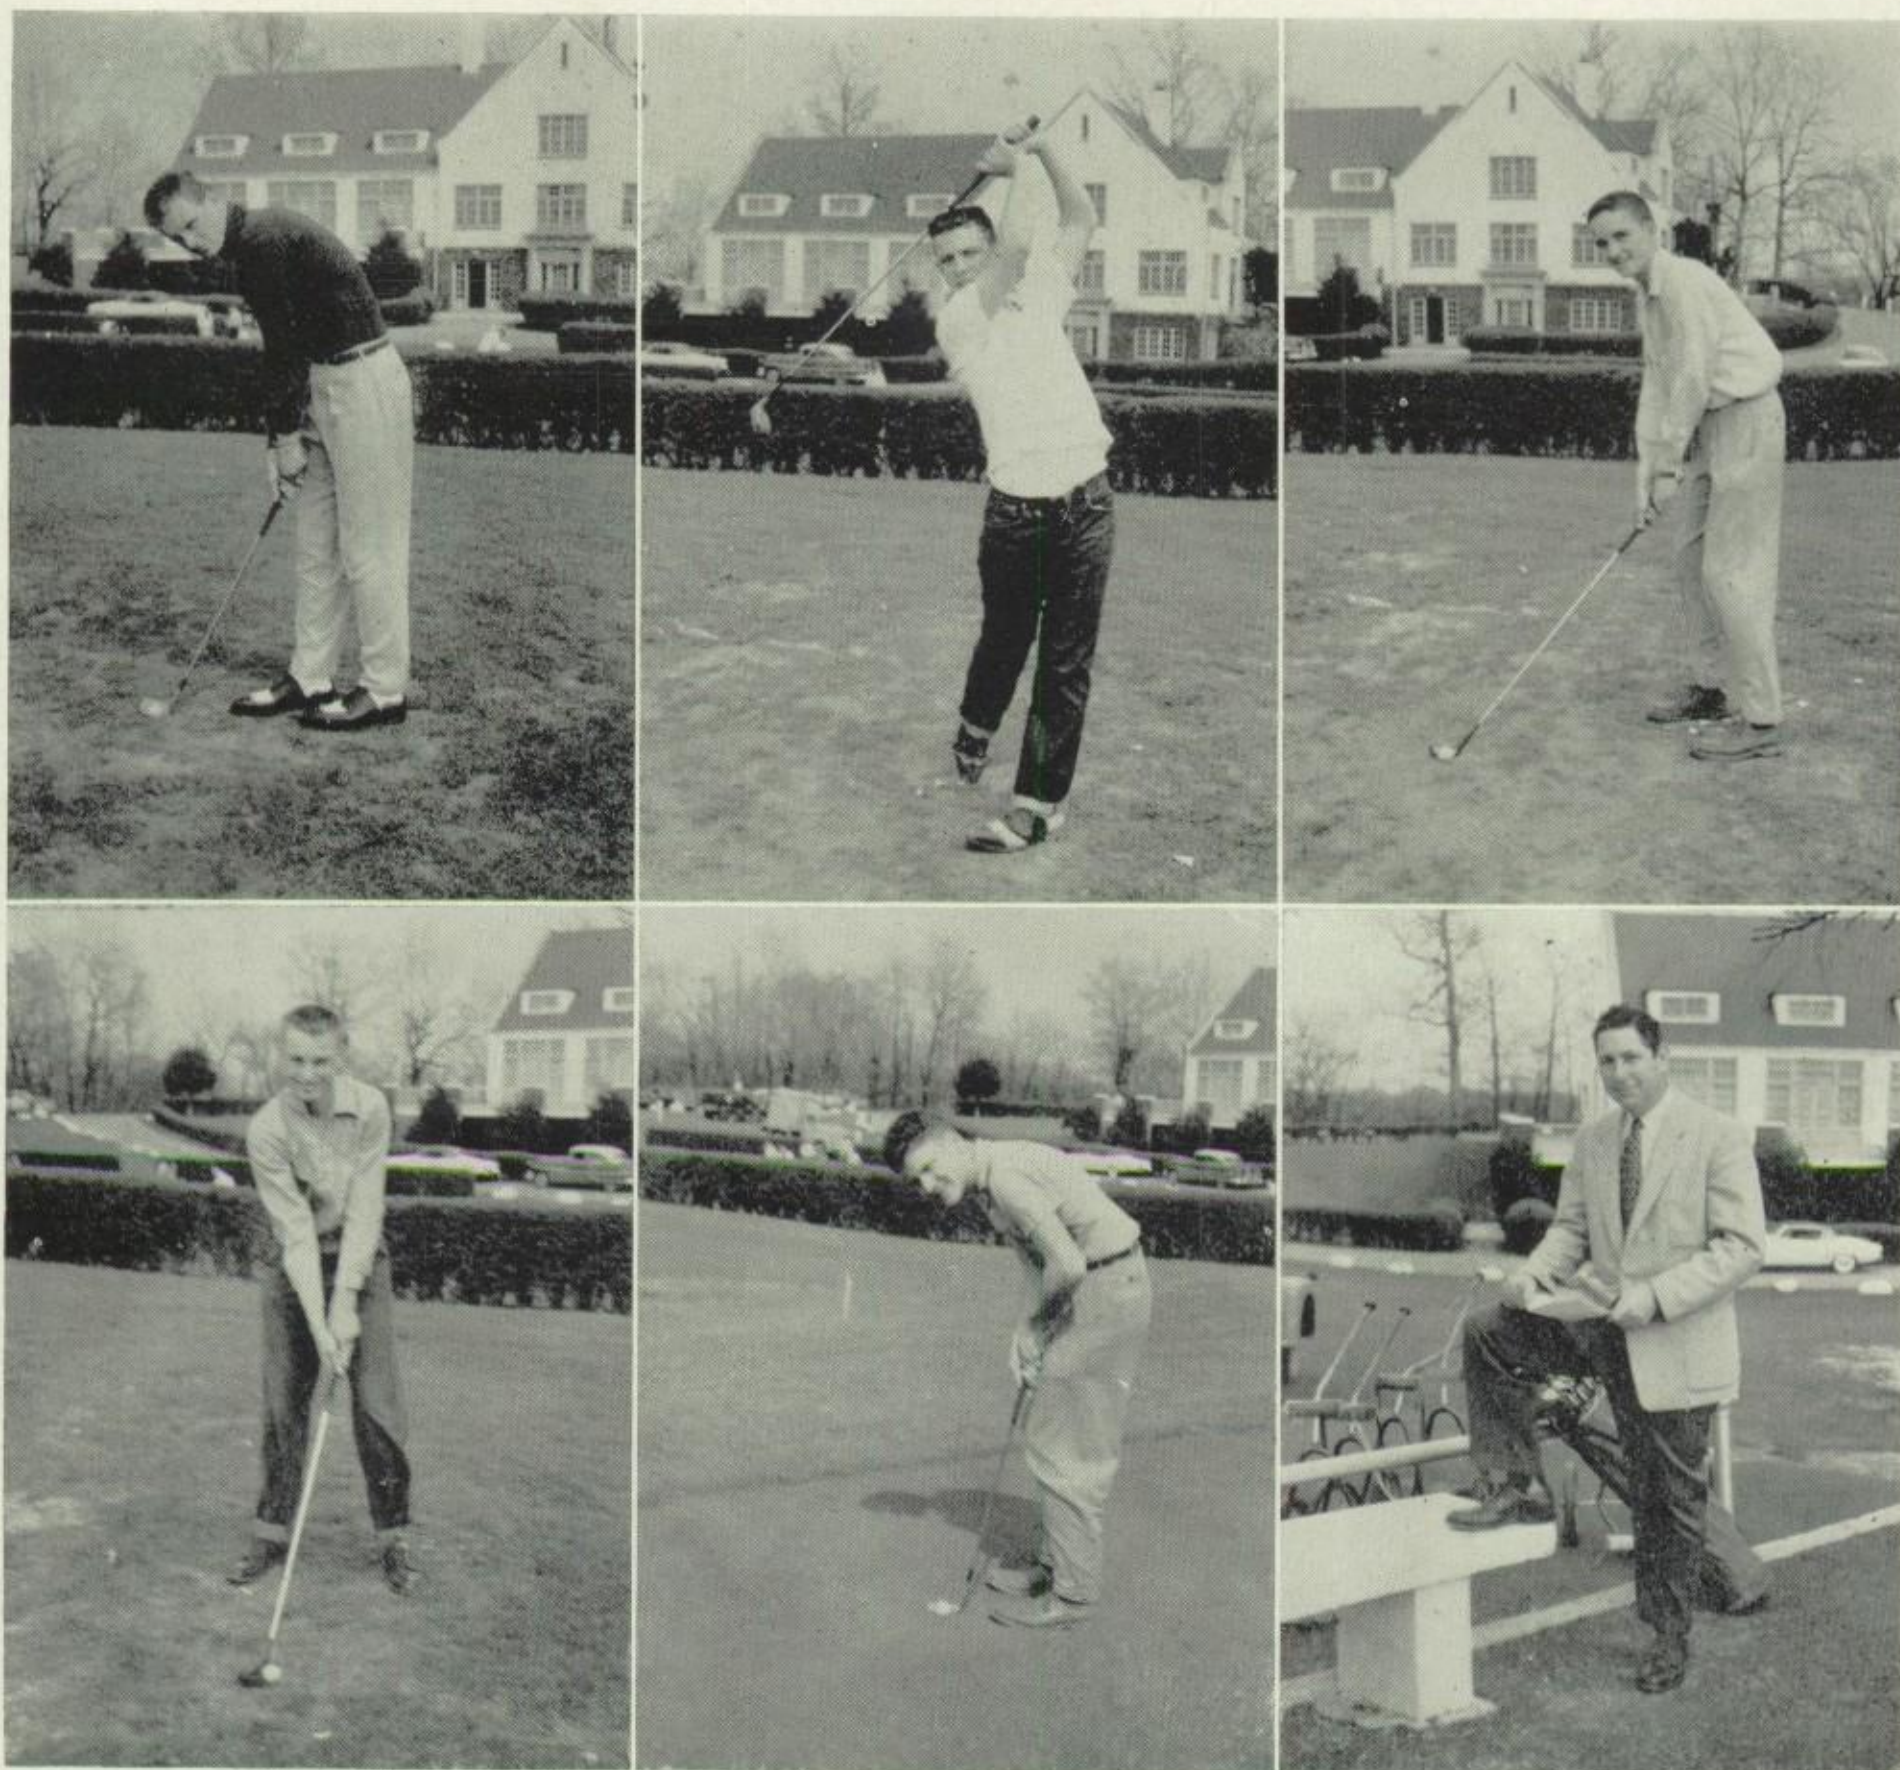

Six senior lettermen will be lost by graduation this spring. They all have helped bring wrestling into its own at AHS. These seniors, Larry Bowser, Glenn Ewing, Francis Couch, Roger Hardacre, Don Smith and Joe Tipton, will be sorely missed next season. Don Smith, member of the varsity for two seasons, was elected honorary captain by his teammates at the end of the season.

Fine time to rest.

Champions Exhibiting Great Form As Annual Goes To Press

Coach Jim Carter's defending state champions faced the difficult task of replacing three of last year's team. At the time of publication he had done this exceedingly well. Starting with Dave Brown and Ted Boots, he added Bill Goldsmith, Larry Penry and Bob McAllister. This fivesome has won most of its meets thus far. The Braves tied with Richmond for the N. C. C. title, but the Indians won the trophy on a one-hole playoff.

In Sectional play, the local golfers placed second at Fort Wayne. However, the state meet was yet to be held as this annual went to press.

Displaying power at the plate and fine pitching, Coach Hank Potter's baseball nine has experienced a very good season thus far in the campaign. Starting the season with only two experienced pitchers, George Thanas and Jim Lutton, the Tribe aided the hurlers with timely and abundant base hits.

The Redskins opened against the Noblesville Millers. After seven innings of battering the Miller pitcher, the Tribe had annexed a 17-2 victory. Facing the same Noblesville team the following night, the Braves were repulsed, 3-2.

Indianapolis Howe's Hornets were the next victims of the Indians as Thanas hurled the local nine to a 7-2 winning margin. The Braves next set back Frankfort's Hot Dogs, 8-3.

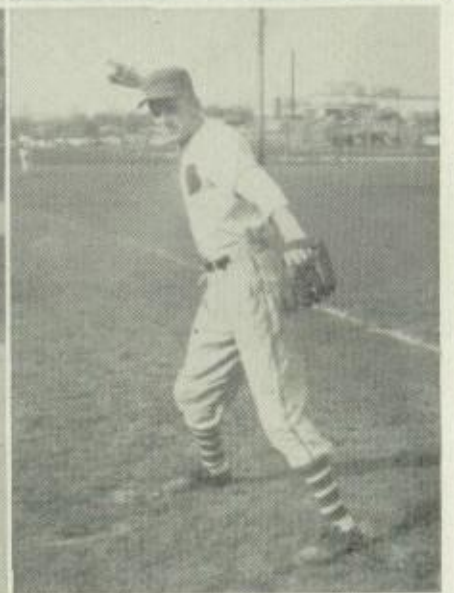

Tech of Indianapolis ended the previously glorious N.C.C.

road by handing the Tribe its first conference defeat, 5-1. Smith of the Green Clads held the Braves at bay while the Big Green scored off Thanas, who lost his only game of the season.

Behind the six-hit pitching of Jim Lutton, the Tribe completely annihilated Hartford City, 13-0. Coming from behind in the latter stages of the game, the Indians defeated New Castle's Trojans, 7-4. This was the Braves' fifth victory in seven starts.

George Thanas, displaying great form and a blazing fast ball, held Kokomo's Wildcats to two safeties while striking out 12 batters on way to a 12-2 win.

Muncie's Bearcats were the Braves' seventh victim as the locals turned back the not-so-vicious Bearcats, 5-3. Thanas relieved Larry DeHority for the win.

Agile Diamondmen Win Most Of Early Season Encounters

DeHority, pitching his first full game of the season, held Lafayette's Broncos to three hits; however, the Indian defense was very lax as they committed seven errors, "giving" Jeff the contest 4-0.

Hartford City was again victimized by the Redskins, this time by the score of 2-1. Lutton was the winning pitcher. Thanas and Nukes of Marion Giants locked in an old-fashioned pitcher's duel as they both pitched nine innings before Thanas and the Indians won out, 4-3.

As the annual went to press the Braves had posted a nine-won, three-lost record. In N.C.C. competition, the Tribe possessed a respectable

five-won, two-lost plate.

Coach Potter was blessed with several outstanding hitters. Gene Bennett, George Thanas, Don Smith and John Purdy were all good long-ball hitters. Dick Maynard, Gary Mills and Nyles Anson who were the team's most consistent hitters, kept the opposing team busy with their short hits. Jim Adams and Al Woods both were good hitters and excellent fielders.

Only six members of the team will be lost by graduation this spring. Coach Potter will lose Don Smith, George Thanas, Gene Bennett, Gary Mills, Dick Maynard and John Purdy.

Powerful Racquet Men Display Strong Team In Early Meets

Coach Dave Pugh's racquet men had an excellent season up to the time the yearbook went to press. The Indians had won all but one dual meet. The Shortridge Blue Devils defeated the Tribe, 6-1. Among the victims of the tennis team were Frankfort's Hot Dogs. This defeat was the first suffered by the Frankfort team in two years.

Bill Harless appeared to be the team's individual standout. Bill had lost only one set this season. Among Bill's accomplishments was the number one singles championship of the Muncie Burris Invitational Tourney.

Coach Pugh will lose two boys by graduation this spring: Bill Harless and Dale Closser.

Returning to form the nucleus for next year's team will be Ronnie Meeker, Frank Layton and Gary Stanley.

Cindermen Qualify Seven Men And Relay Team For Regional

Despite a slow start, Coach Carl Bonge's young track team molded itself into a reputable aggregation before the season came to a close. The Braves, mostly sophomores, were faced with the problem of competing with older, more experienced runners and jumpers.

The Tribe, too, has several individual standouts. Probably the most noticeable was Bill Jones. Bill set several records this season. In his first meet of the season, the Hoosier Indoor Relays, Bill pole vaulted 12' 6 3/8", a new meet

record. Bill, then, injured his leg in the Muncie Relays, but he appears to have completely recovered. In the Indianapolis Regional, Bill vaulted 12' 8 3/8". This breaks the school record of 12' 7 1/2", set in 1953, also held by Jones. This spectacular vault also broke the state Regional record.

Jim Leverette was the only other Indian cinder man qualifying for the state meet. Jim placed third at the Regional in the broad jump. Bob Pursley cleared 5' 11' once during the season.

The Braves opened the season with three successive losses to Muncie Central, Richmond and Indianapolis Tech. Marion's Giants were the Indians' first victims. The Redskins, then, defeated the Wildcats from Kokomo.

Anderson qualified seven men and their mile relay team for the Regionals at Indianapolis. Only two Braves—Jones and Leverette—advanced to the State meet.

All is not dark in the AHS track world. This year's reserve and frosh teams were exceptionally strong. The reserves went undefeated while the frosh lost one meet: the North Side Relays.

With the coming up of these boys, next year's varsity should have some good talent to represent it in the season's battles. The freshman team had several outstanding boys and should provide Coach Bonge with some good material. Coaches Carter Byfield and Bill Ameredes worked with the reserve and frosh while Coaches Carl Bonge and Ray Fleenor handled the varsity.

Advertisements

In describing the various sections of our book, the importance of this last one pertaining to advertising cannot be disregarded. The generosity of our many merchant friends has contributed to the success of this and previous yearbooks. Their support has not been limited, however, to this publication alone but has been felt in many phases of our school life throughout the year. Frequently they have been called upon to donate their time, money, window space, props and valued services. The fact that they never let us down has been a constant source of encouragement for which we are truly grateful.

On the adjoining page we observe a quiet late evening scene of a familiar street in our downtown business section. Bursting through this inactivity a new day begins for one of our prominent jewelers as he replaces his valuable stock for another day of business.

Choose Your Goals...

they are yours to attain

Graduation is a lot like the launching of a ship. Both mark the end of a period of preparation.

Behind a launching are years of planning and building—of fitting out with all the gear needed for fair and foul weather.

Behind graduation are years of acquiring information—of practice in exercising judgment and in setting values. All are intended to equip you to make the right decisions in the years to come. Behind, too, are the good times you've had, the companionship of many friends—and the

wise counsel of those who have been your teachers.

As you chart your course toward a new goal—whether it be the pursuit of a higher education or success in earning your own way—be thankful for the American tradition of individual freedom. Because of it, you are free to choose your goal. And you are free to achieve it by your own hands and brain, by your energy and industry, by your determination and self-reliance.

Good luck and Godspeed!
